Report On First Year BCA Orientation Program

BI,DEA's SB ARTS and KCP SCIENCE College, BCA Department , Vijayapur organized an orientation program for the newly admitted BCA students at the institute premises on 18th July 2015. The major objective of the program was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

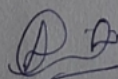

The orientation program began on 18th July 2015 with the welcome of the students, their parents, dignitaries, faculty members and Chief Guest of the event Prof. S.D. Patil , the HOD of the BCA department , who graced the occasion with her presence. Next, a brief description of the institute, which included the motto, history and reputation of college along with recent achievements was given by the Asst. Prof. S.G. Bhairodagi.

Then the students were addressed by the First Year Coordinator Asst.Prof. D.A. Mulimani , who welcomed the students and gave them an introduction regarding the academic disciplines.

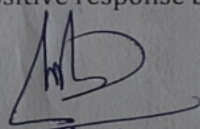

Then the students were addressed by the Asst. Prof. A.S.Hiremath about mentoring system of the college. She explained that the Mentoring is a particular form of relationship designed to provide personal and professional support to an individual. The mentor is generally more experienced than the mentee and makes use of that experience in a facilitative way to support the development of the mentee. The mentoring relationship provides a developmental opportunity for both parties and can thus be of mutual benefit. In a nutshell, a student mentor's role may be perceived to be facilitative, supportive and developmental for the student community in general and the first year students in particular.

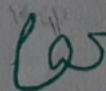

Continuing the flow **Smt. L.A.Nuchi** has elaborated about the discipline, rules and regulations of the college and dressing manners' etc. various cells including Placement cell, Woman Empowerment Cell, Red cross Cell, Student Council Cell, NCC and NSS Cell, Prevention of Sexual harassment Cell. Importance of the each cells present in the college and how to utilize them in proper way to their overall development in their personality.

The program has successfully completed with positive response by students and parents.
