Report on Value added course

The department of Journalism and Mass Communication was organized Value Added Course for 1st Semester Students. On the first 3 days of the week we have conducted the class. Classes were taken according to the time table and completed the syllabus. After the completion of syllabus conducted the exam and declared the result with certificates. Through this course we were motivated the students.

Photography helps to capture anything you feel is important to remember. Photography captures memories and leads you to be present as you explore the world around you.

Photography can be an art, a hobby or just a way of documenting your own life. For some, photography is career. Professional Photographers work in a Variety of fields, from advertising to Journalism. They can also work independently.

From this course students learned lot and acquired the knowledge about creative photography skills.
