# Report on One-Day Workshop on Research Methodology

Dated: 2 /2/2016

## **Inaugural Programme**

The Internal Quality Assurance Cell (IQAC) of BLDE Association's S. B. Arts & K. C. P. Science College, Vijayapur had organized the One Day Workshop on the topic, "Research Methodology: How to Prepare Research Proposal?" on 2<sup>nd</sup> February, 2016 at the Seminar Hall of the College. The Workshop commenced with Invocation by Miss Shubhangi and Miss Ranjani of M. Sc Physics, Dr. S. N. Unki, Dept of PG Studies in Chemistry, Coordinator Welcomed and Introduced the Guests. The function was inaugurated by Dr. Gavisiddappa Anandhalli Associate Professor, Dept of Library and Information Science at Karnataka State Women's University Vijayapur.

The Resource Person explained "It is also sometimes termed as 'need for study' or 'abstract'. Introduction is an initial pitch of an idea; it sets the scene and puts the research in context. The introduction should be designed to create interest in the reader about the topic and proposal. It should convey to the reader, what you want to do, what necessitates the study and your passion for the topic. Some questions that can be used to assess the significance of the study are: (i) Who has an interest in the domain of inquiry? (ii) What do we already know about the topic? (iii) What has not been answered adequately in previous research and practice? (iv) How will this research add to knowledge, practice and policy in this area? Some of the evaluation committees expect the last two questions, elaborated under a separate heading of 'background and significance'. Introduction

should also contain the hypothesis behind the research design. If hypothesis cannot be constructed, the line of inquiry to be used in the research must be indicated.

Dr. Gavisiddappa Anandhalli Associate Professor, Dept of Library and Information Science and also In charge Librarian at Karnataka State Women's University Vijayapur Chaired as the Chief Guest, Dr. A. S. Pujar, Associate Professor Department of Chemistry was the President of the Programme. The IQAC Coordinator Dr. U. S. Pujeri and Shri G. R. Ambali, Department of Sanskrit were honored on the dias. Prof. Amin Lain, Dept of English proposed Vote of Thanks. The anchoring of the Session was done by Soumya Sajjan, M. Sc Physics Student, Department of PG Studies in Physics.
