Mini Project Report

Date 08.03.2016

I Rakesh Joshi student of this college studying in B.Sc V Sem with PCM combination designed & constructed B.Sc V Sem Experiment i.e "Hartley Oscillator" under the guidance of Prof.A.B.Patil Associate prof. department of physics.

I brought the electronic components and other Materials required to prepare the experiment from the market in my own cost

After completion of design & construction of the experiment I verified it's performance practically with the help of our guide in the lab & Apparatus performance is found to be very good.

Sub: **Appreciation for designing and conducting an experiment.**

Dear Student,

I am writing this letter to show my sincere appreciation to you for designing and conducting an experiment. Viz."Hartley Oscillator".

You are such an inspiration to other students, I must say this because of your efforts and enthusiasm that you had taken to set up an experiment which is working very efficiently.

I hope that you will continue to perform such activities in future also.I wish you all the best for your future endeavors.

Thanking you with best wishes.
