Study Visit to TV & radio Station

We the staff members of both Department and Students of B.Sc VI (PME) Electronics visited local FM Radio station and TV Relay station of Vijayapur, on 23/3/2018.

There is a topic in syllabus on Transmission & Communication for B. Sc. VI sem Electronics. Thus Visit is made for understanding of the practical aspects to the students. The broadcasting system of Radio and TV Relay explained by one of the technical experts to the students.

Most of the students interacted with the technical officers of the station for clarifying their doubts and regarding various working units of the broadcasting system. Also during this interaction the students understood the distinction between FM and AM system.

After their visit the doubts of the students were clarified by the concerned staff members. Our overall effort and objective is to motivate the students to learn and know the broadcasting system of Radio and TV Relay.

A trip of 4 days changed my way of thinking. Journey with 49 new people was such a tremendous feeling.

Life seemed to be so cool, calm and collective while travelling. New place, New adventures! Totally a brand new experience. I was happy to be part of such a journey.

Mysuru The place with great history, taught us to be great and full of determination, when we are against odds.

Madikeri a cool and beautiful place, which calls us to discover its soul!

Abbey Falls, a place with high spirits taught us to be confident and be one of a kind.

Kushalnagar, Dharmasthala, Manipal, Malpe all these places were quite interesting. Our soul's quest seemed to relax and started feeling the enthusiasm of the place and surrounding.

Murdeshwara and Yana the places a person should visit to destroy his ego!

Now I feel I am a new person with new thoughts! I am much more comfortable to share my feeling and am able to express myself truly!

Sub: Request to grant permission for B.Sc Electronics
Students to visit Solar Power station.

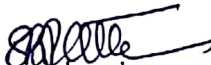

Sir,

Our B.Sc Electronics students are studying Solar cells. They are interested to visit your Solar Power station. Please give the permission and inform us the convenient date and time for the visit. The total strength of the staff and students is approximately twenty. We would very much appreciate if an expert explains technical aspects of the Solar Power station system.

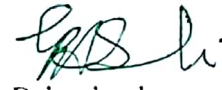

Thank you very much

Report: 2018-2019

Study Visit to Solar Power Station

We the students of B.Sc 1, III and V semesters of electronics and staff members visited solar power station dated 23/8/2018.

We know today's energy crises because of non renewable energy sources are exhausting rapidly and not fulfilling our requirements of energy demand so, by using solar cell, we can generate energy source by using natural solar energy and fulfill the demand.

Since the study of solar cell is in curriculum of B.Sc 2nd sem electronics and B.Sc VIth Sem physics so we visited solar power station at BLDEA's new campus Sholapur Road, Vijayapur.

Accordingly we reach the power station at 10Am .Assistant engineer of power station **shri.Anand Rajanal** explained in detail about all units of power station. Our students interacted with him and clarified their doubts regarding this. We return back at 3 PM. By this way study visit is lot of informative and helps the students for these future carrier.

Field Visit- Report - 2018-2019

The BLDEA'S S.B.Arts and K.C.P Science college Dept of physics organized 5 days tour to the B.Sc VI sem (PCM) students. Tour is organized to provide an enriching and enriching experience to the students. tour was being planned and coordinated by M.D.Adigonde , M.S.Yadigiri, Geerankali.S.N, Deepa.D.Ullagaddi, Ashwini.S.Patil and M.I.Shekh as the part of this tour along with 95 students.

Tour gave to the students a refreshing, enriching, adventurous & learning experience through visits to the prominent 5 different places that are Mysore, Kodagu, Muradeshwara , Udupi and Karwar. Our students gain valuable insights about waterfalls, hydroelectric power generation through this intensive tour. Tour journey began on 2nd march 2019 by two comfortable buses with 49 seating capacity each. Buses started from college campus at 3pm, after dinner around 10pm all went to sleep. Our team reached Mysore on 3rd march 2019 at 6am, after fresh up in lodge, we all have the breakfast and tea then our team for Mysore darshan first we visited the Chamundi Betta, Mysore palace and Zoo and in evening we enjoyed the KRS dam site with musical fountain. We return to the lodge at 9pm.

In the next day on 4th march, we went to Bailakoppe, Abbe falls & Kaveri on the same day in the night we traveled & reached Dharmasthala around 4am on 5th march 2019 after fresh up & we got manjunathaswami darshan and left to udupi. In udupi after getting shree krishnaswami darshan we reached malpe beach around 2pm. In beach all we enjoyed lot with swimming and visited to island. Next we reached Kollur at 9pm. On 6th morning 6th march after devi darshan we went to muradeshwara. In muradeshwara we visited lord shiva temple & his big statue around 12pm we left & reached yana at 2pm. we enjoyed lot with stone pillars in yana then in evening visited Sirisi shree marikamba temple. We return in the night towards to vijayapur and reached on 7th march at 6am.

P.T.O

The tour was a delightful experience for all, it was an opportunity to get a good field visit. Tour was also a platform for all to enjoy beauty, cultural taste of different places. Tour was supported by HOD. Prof. S.B.Pattadakall & Prof. K.G.Pujari on the behalf of all students we are very glad and thankful to HOD and Prof.
