NSS UNIT I & UNIT II

REPORT ON

“HIV / AIDS AWARENESS PROGRAM”

(02.01.2018)

A special lecture program on HIV / AIDS Awareness was organized at the college on the occasion of World AIDS Day on 1.1.2018. Dr. R S Biradara from BLDEA Medical College., arrived as a special guest speaker and said, "AIDS" is an incurable illness, thousands of people die every day from this epidemic and numerous people get infected every month. Today's "ignorance of sex education" is the source of this deadly disease. Although, treatment can give relief to some extent, its just temporary. It is impossible to cure disease completely. Speaking further, he said it is most commonly seen in young men / women aged between 20-30 years. He suggested prevention is better than the cure. He added one can stay away and safe from such deadly disease through "moral education, spiritual thoughts and satsang".

Our college Principal Dr. K.G Pujari presided over the function and gave presidential remark. He said, “Youngsters should be wise not be a victim of evil, and they also should stay safe and create awareness among others”. 9 staff members and 47 students of the college were present at the program. An awareness essay competition was also organised. Prathiba Desai and Bhagesh Chandakavate bagged first and second place.
