## DEPARTMENT OF BOTANY

### REPORT ON ORIENTATION/AWARENESS PROGRAM ON PLANTING AND PLANT ADOPTION

As per the extra curricular activity, department of botany conducted awareness program on plantation and plant adoption on 17/08/2018 at 12pm in seminar hall.

The program started by prayer song by final year students. Dr. P D Needagi head of the department inaugurated the function by watering the plant.

He addressed the students by his remarkable words. Environment is the best gift given by God to us. So to understand this we need to learn about plantation and plant adoption. Plantation and plant adoption, which turn out and increase their survival chances in a particular environment. He also emphasised it is every student responsibility to take care of the plants.

The interested participants were divided into three teams which were named with renowned botanist. At the end of the program the final year passed out students transferred their responsibilities to the new teams to adopt their plants and continue what they had started and to keep planting more.

12/04/2019

**DEPARTMENT OF BOTANY**  
**ANNUAL REPORT**  
**ON**  
**PLANTING AND PLANT ADOPTION**

Our department was practicing plantation and plant adoption program every year as a best practice. Awareness program was organised on 17/08/2018. The interested participants were enrolled their named in three different teams. Team one was Dr. Janaki Ammal, Team two was Dr. M S Swaminathan and Team three was Dr. William Roxburgh.

The students were adopted plants and plantation was done that day. 36 Students were engaged in the task. Students interestingly participated till the completion of their studies. This practice helps us to create green consciousness among students by involving them in this great initiative. This practice also a experience that deeply imprinted in students mind.

These plants will become the student's living legacy to the environment and the future generation. Its goal is to help and promote inter-generational responsibilities over environmental protection.
