DEPARTMENT OF BOTANY

REPORT ON

ORIENTATION/AWARENESS PROGRAM ON PLANTING AND PLANT ADOPTION

Department of botany has conducted plantation and plant adoption awareness program on 18/08/2017. Dr. M B Mulimani head of department inaugurated the program and he explained importance of tree plantation, maintenance of plants and plant adoption by students. He also emphasised there is lot of benefit of planting the trees from health to environment impact, to economic and psychological effects.

Planting helps to reduce pollution surrounding improves with green and also improves also of our campus. He also informed students about this practice. Students should adopt plant and nurture them with care till their last moment in the campus. He also noted that, each and everyone of us has equal responsibilities to maintain botanical garden in a proper way.

For this program teaching and non teaching staff were participated. Prof. L L Malaghan, department of botany presented vote of thanks.

The interested participants were divided into three teams which were named with renowned botanist. Tree plantation and plant adoption program ended by planting sapling by students and faculty members actively participated.

DEPARTMENT OF BOTANY
ANNUAL REPORT
ON
PLANTING AND PLANT ADOPTION

It was on 18/08/2017 our department organised awareness program on plantation and plant adoption, it is one of the best practice of our department and took a great initiative to plant trees in our campus. This is an important step to maintain our botanical garden in proper way.

The interested participants were added to three different known teams. The students were allotted important task to be performed according to the time scheduled time. The participants reported site on time and were given sapling of ornamental plants. Plantation was done in our campus and further watered and nurtured by students. During this practice our department attenders G Biradar and S Kotyal helped students lot specially for irrigation and spraying insecticide and pesticides. The principal of our college encouraged our students and thanked for taking such a initiation.
