REPORT ON CAREER ORIENTED PROGRAMME

As per the curriculum the department of botany has conducted the career oriented programme for B.Sc final year students on Nursery and garden management for the academic year 2017-2018. The duration of certificate course in nursery and garden management is one year and Theory and practical classes were conducted for 450 hours. 30 students were allowed to take the admission in career oriented programme.

The main aim of the course is to provide full-proof knowledge of the subject in rising, maintaining and marketing of garden products and also equipping student community to face challenges of fast changing economic order in our globe and also inculcating entrepreneurship in individual students. Proposed course is an appropriate compliment for those who aspire for self- reliance.

At the end of career oriented programme, it was proved to be beneficial for students to gain the knowledge about Nursery and Garden management.
