DEPARTMENT OF BOTANY

REPORT ON ORIENTATION/AWARENESS PROGRAM ON PLANTING AND PLANT ADOPTION

As a part of department best practice an orientation/awareness program on Plantation and Plant adoption was organised by department of botany on 17/08/2016 at 11:00am in seminar hall.

The head of department Dr. M B Mulimani has presented an overview of the best practice. He enumerated the purpose, need and outcome of it. The final year students also shared their views and urged their fellow mates to continue this saga and keep this novel idea alive. They also shared their experience of their past three years and expressed their happiness with proud as their plant saplings which they had planted in their first year are flourishing and adding colour to our campus. They felt it is possible only because of continues mentoring and caring of the young plants as a part of this best practice.

This orientation/awareness program inspired many young minds and many made their voluntary nomination to be the part of this novel idea to contribute in building a colourful and healthy environment in our campus.

At the end of the program the final year passed out students transferred their responsibilities to the new teams to adopt their plants and continue what they had started and to keep planting more.

The interested participants were divided into three teams which were named with renowned botanist.

DEPARTMENT OF BOTANY
ANNUAL REPORT
ON
PLANTING AND PLANT ADOPTION

Department had been organising Plantation and Plant adoption as an best practice every year. On 17/08/2016 awareness program was organised for all semester students along with faculty members. The interested participants were divided into three teams. Students planted variety of plants belong to medicinal, ornamental etc.

This practice was an ideal opportunity to instil personal and social responsibilities in our students towards safeguarding trees.

This practice also focuses towards a personal connect between the students and trees through the process of experience and creation. Thus, this practice helped to make our campus more attractive and beautiful.
