Sub: Appreciation Letter.

Respected Sir/Madam,

We highly regard the concern and efforts put by the Faculty & Students of B.L.D.E.A's S.B.Arts & K.C.P Science College's Heritage Club & N.S.S Units I and II who co-ordinated with department for "Cleanliness Activity in Gagan Mahal Monument" on 25th September, 2019 .

The College along with the Principal , Faculty and the Students participated in the Cleanliness campaign under the Swachchhata Pakhwada (16th to 30th September 2019), an initiative of the Central Government . It's a highly appreciable activity by the Students & Volunteers which applauded the richness of our glorious past & at the same time, spread the awareness of cleanliness among the citizens. We look forward to be part of such noble activities in the future also.

Thanking You.

Yours Sincerely
