Report for value added course  
2019-20

Max. Marks: 100 (Theory - 80 marks, Viva-Voice 20 marks)

Passing Marks: 40 %

Time allowed: 30 hours

Value added course in personality development skills is designed and offered by the education department for the benefit of the students. This course is conducted after the regular college hours. The course is conducted by the department to complement students' knowledge and skills in their field of study. The course is chosen based on current trends, relevance and value in the job market.

In our education system personality development skill is considered as the most important skill to education it holds more significance. But most of the students are not capable to personality quality. Students have knowledge of their subject but as they have to convey their knowledge in Education, they hesitate to do so they fear about making mistakes in quality. Sometimes they have been feeling themselves inferior in terms of personality development skills.

This course will definitely help the students to face any competitive exams, in job market, in private or govt sectors or in their professional life.
