Inauguration of Dalton's Club Activities for 2017-18

Inaugural function of Dalton's club Activities for 2017-18 was held on 30th August 2017 in Seminar hall of College premises at 11:00 a.m.

Inaugural function began with invocation song by Kuman Megha Loni of B.Sc. III Sem.

Prof. S.S. Satihal Secretary Dalton's Club welcomed and introduced the Chief Guest Dr Prakash Vadagaonkar, Senior Scientist N.C.I. Pune, to the audience. Activities of the Dalton's club for 2017-18 officially inaugurated by lighting the lamp by Chief Guest and dignitaries present on the dais.

In his inaugural address Dr Prakash Vadagaonkar discussed uses and abuses of Chemistry in our daily life and he reiterated that Chemistry has made our life easy and Chemistry is the past and parcel of our life.

He focused on synthetic applications of polymer in day today life and their effects on the environment and uses of biodegradable polymers.

He explained how atmospheric CO_2 is used to synthesize hydrocarbons.

He congratulated the institute for conducting such activities in far off places like Vijayapur where there is least facilities for research activities and such activities promotes creative mentality in students.

He encouraged the students to opt Chemistry in their P.G. course and to continue research in this field.

He explained the audience regarding ongoing research activities in N.C.I. (National Chemical Laboratory) Pune.

Head of the Department Dr M.I. Kumbar proposed vote of thanks.

All the staff members of chemistry both UG and PG and all Odd semester, PG students were witnessed the function.

Higher education and research opportunities in abroad:

Every student dreams of going abroad for higher studies. The scope and infrastructure for education in foreign countries are much developed and there are thousands of courses that one can take up there. But exorbitant tuition fees along with the cost of living becomes too much to bear for people who come from a middle class family.

The Times Higher Education World University Ranking give the most reliable indication of the quality of teaching, research, innovation and the global outlook of the best universities in the world.

Studying in abroad may be one of the most beneficial experience for a college students. By studying abroad, students have the opportunity to study in a foreign nation and take in the allure and culture of a new land. Here is a list of the top 10 reasons to study abroad.

- See the world: The biggest reason you should consider a study abroad program is the opportunity to see the world.
- Education.
- Take in a New Culture.
- Hone Your Language Skills.
- Career Opportunities.
- Find New Interests.
- Personal Development.

Research opportunities in abroad:

Research opportunities in abroad American Academy in Rome and School of Classical Studies Research Fellowships: Supports advanced undergraduates to undertake research relevant to the Academy and School of Classical Studies.

The CERN Summer Student Program-Geneva, Switzerland Students selected for the program will spend from the summer working with active research groups at CERN, one of the world's premier international laboratories.

Euro-Scholars – Research at Nine Research Universities in Europe Opportunity for advanced undergraduates from US and Canadian Universities to conduct research at one of nine major research in Europe.
