DEPARTMENT OF EDUCATION
GUEST LECTURE - REPORT

Vedic Education

Vedic education in India is a most important topic now-a-days .Vedic Education is very important for the development of the country. It is like an effective medicine to cure a patient completely and provide good health .Vedic education is a big opportunity in India to be developed socially and economically.Vedic educated women are the weapon who Yield positive impact on the Indian society through their contribution at home and professional field they are the reason of improved economy in the country as well as society.

An educated women has capability to handle her home and professional life they can effectively contribute in controlling the population of India as they would like to marry at a later age in comparison to the uneducated woman. Vedic education is effective of students skills and culture.
