DEPARTMENT OF EDUCATION

GUEST LECTURE - REPORT

Education In Political science

As an academic discipline the study of politics in education has two main roots; The first root is based on theories from political science while the second root is footed in organizational Theory Political science attempts to explain how societies and social organization use power To establish regulations and allocate resources. Organizational theory uses scientific theories Of management to develop deeper understandings regarding the function of organizations.

There exist significant difference between " politics of Education".

More debates on the prevailing differences are solicited from Academia of the world to define politics educationally.
