Add-on-Course in Communicative English
2018-19

Report/Outcome

Add-on-Course in Communicative English is designed and offered by the English department (UG) for the benefit of the students. This course is conducted after the regular college hours. The course is conducted by the department to complement students' knowledge and skills in their field of study. The course is chosen based on current trends, relevance and value in the job market.

In our education system Communication is considered as the most important skill to learn English. Communicative English is a prolific skill; it holds more significance. But most of the students are not capable to Speak coherently. Students have knowledge of their subject but as they have to convey their knowledge in English, they hesitate to do so. Students feel that they do not possess sufficient vocabulary and grammatical aspects of English Communicative skills, so they fear about making mistakes in Speaking. Sometimes they have been feeling themselves inferior in terms of English communication skills.

This course will definitely help the students to face any competitive exams, in job market, in private or government sectors or in their professional life.

This course will definitely improve students Communicative skills by adopting the relevant syllabus. Communicative skills is an important skill for the communication in professional world.

Effective strategies and communicative tasks will motivate students in enhancing their communication skills, language proficiency and life-long learning paths in general.
