2. NOTICE
3. STUDENTS ATTENDENCE LIST

## Guidelines for slow learner (Weak Students)

- The connotation of academically slow learner (Weak Students) means those who could not keep pace with the classroom teaching needs extra attention so as to bring such students at par with rest of students of the class.
- Slow learners are identified based on their performance in university Examination of previous semester and internal examinations.

### Measures taken for improving academic performance of these students.

- i. Remedial/Extra classes are conducted with appropriate focus on the subject/topic codes in which the students are found to be slow learners
- ii. Individual academic counseling is done by concerned subject teacher.
- iii. Student helpdesk.
- iv. Students study groups are formed for peer to peer learning.
- v. Personal counseling is done through mentoring (Teacher guardian) scheme which takes care of the students mentors maintain the entire academic record of the student which is also conveyed to the parents time to time by teacher guardian. Slow learners are counseled and motivated by the mentors.

# Report

The students of B.Sc all semester studying mathematics had attended the remedial classes.

The objective of conducting the class is to help the students to score better in terms end and examination to be conducted by the universities.

# CONTENTS

1. GUIDELINES
2. NOTICE
3. STUDENTS ATTENDENCE LIST

## Guidelines for slow learner (Weak Students)

- The connotation of academically slow learner (Weak Students) means those who could not keep pace with the classroom teaching needs extra attention so as to bring such students at par with rest of students of the class.
- Slow learners are identified based on their performance in university Examination of previous semester and internal examinations.

### Measures taken for improving academic performance of these students.

- i. Remedial/Extra classes are conducted with appropriate focus on the subject/topic codes in which the students are found to be slow learners
- ii. Individual academic counseling is done by concerned subject teacher.
- iii. Student helpdesk.
- iv. Students study groups are formed for peer to peer learning.
- v. Personal counseling is done through mentoring (Teacher guardian) scheme which takes care of the students mentors maintain the entire academic record of the student which is also conveyed to the parents time to time by teacher guardian. Slow learners are counseled and motivated by the mentors.
