A Report

The TED talk was arranged in M.Sc(cs) Department “The Secret of great opportunities? The Person you haven’t met yet” on 23rd November 2019 at 11.30am in Department Lab. The speaker was Miss Tanya Menon.

The speaker suggested to the audiences to meet people who they don’t know. At first, she showed her teaching experience to describe how it is difficult for general people to do make new connection after that introduction; she gave three ways about how to meet new people to get a new social work.

1. Use a more imperfect social search engine.
2. Be courageous in travelling your social universe.
3. Reach out to a people as partners rather than resources.

At the end of the talk she talked about metaphor of life that is” Life is a journey and which means life looks like train ride and you’re a passenger. However, she showed audiences another one that is think of you as an atom.

Totally it was good, and few students shared their opinions about this talk.
