A Report

A session on 'Group Discussion' was conducted on the 25th of February 2020 at the Classroom, Department of M.Sc(CS), all faculties were present. The GD was attended by 14 students from final and Pre-final year of M.Sc (CS). The motto is to conduct a group discussion among the students, to observe their personality and skills, ability to discuss on the given subject and to guide them on how to take part in Group Discussions. The session opened with the 'Self Introduction' of students. The topic given was "Corporate Sector Job is safe or not for lady". The students were given 2 minutes to think over the topic before beginning with the discussion. 2 The group discussion lasted for about 15-20 minutes.

The highlights of the discussion are as follows:

1. There was an initiator who was also a dominator in the group.
2. The group discussion was in English Language.
3. There were few silent observers who didn't involve in discussion.
4. Some students were fumbling for vocabulary.
5. Students could highlight many important facts and figures pertaining to the topic.

The session opened with the types of GD i.e.

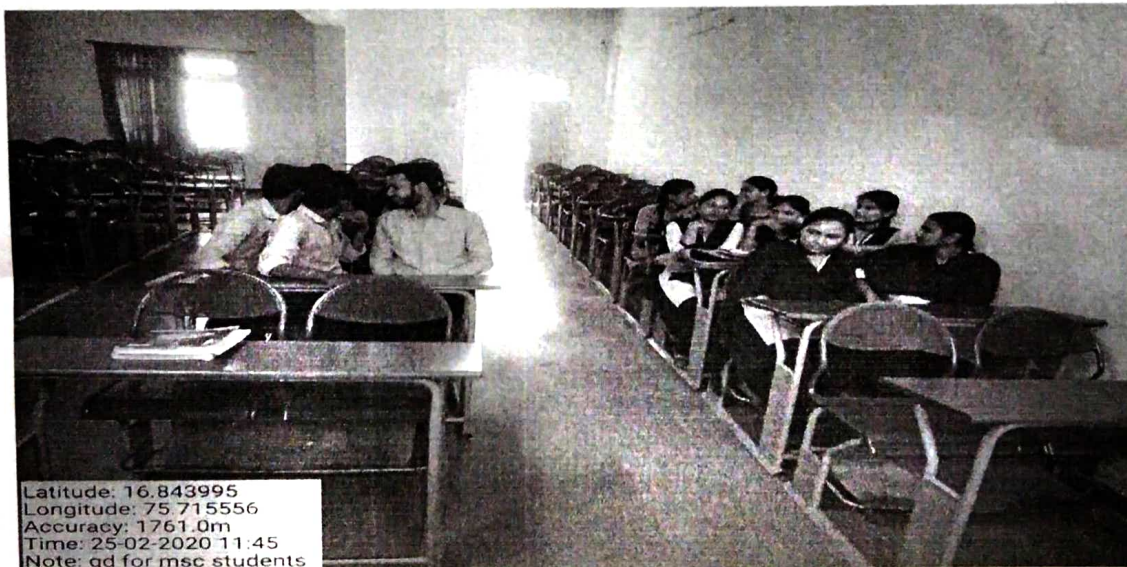

1. Factual based
2. Controversial
3. Abstract
4. Case-based

The main focus was on the positive task roles in a GD. Few such roles are mentioned below

1. Initiator
2. Opinion giver/seeker
3. Information giver/seeker
4. Clarifier
5. Energizer
6. Social Supporter
7. Summarizer.

Prof (smt) R.D.Joshi suggested that performing a positive role will have a good impact on the interviewer. She also told them to not to be involved in negative roles like 1. Being disgruntle 2. Attacker 3. Dominator 4. Clown. She also suggested students to use quotes, facts, figures, definitions, statistics, shocking statements, short story or general statement in the discussion. Prof. Pavankumar Mahindrakar gave hints on how to enter a GD midway and ideas to silent members on how to enter a GD. He also gave importance on the non-verbal communication i.e., body language by which attitudes and feelings are communicated. Lastly he tried to draw attention of the students to summarize and conclude the GD highlighting all the important points' discussed by the group.

Concluding the session, Prof S.V.Vambase advised the students to read newspapers and enlist three local, national and global news each which shall help them to be aware of the current news in the world. After observing and listening the discussion of students, it was evident that the students are not aware about the do's and don'ts of the GD.
