February 20th, 2018

For

**M.Sc. (CS) Students
2017-18**

Guest Lecturer

Prof: Pranesh Kulkarni

A Report Python Programming Language

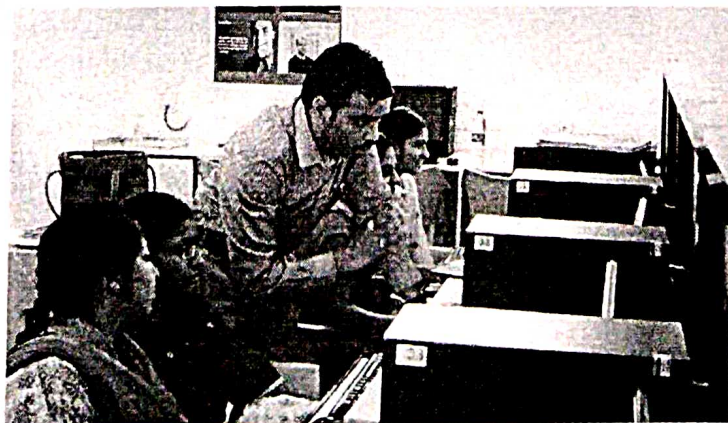

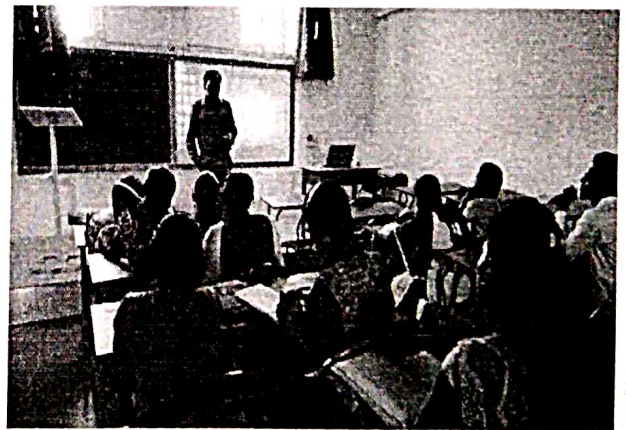

The guest lecture was organized by BLDEA's S B Arts and K C P Science College, vijayapur M.Sc. (CS) Department topic was "Python Programming language" on 20th February 2018 at 9.30am in L.H No 02. The resource person was Prof Pranesh Kulkarni from KLS's VRDIT Engineering College, Haliyal Dist - Dharwad.

The guest lecture was commenced with the fundamental of python programming language Mr. Pranesh had explained in detail about the python programming language and its uses in real word applications and websites he explained Python is a general-purpose interpreted, interactive, object-oriented, and high-level programming language. It was created by Guido van Rossum during 1985- 1990. Like Perl, Python source code is also available under the GNU General Public License (GPL). This tutorial gives enough understanding on Python programming language. He explained Basics variables, Syntax, basic operators, loops, strings, lists, tuples, functions, modules and etc

Discussed topics:

1. What is python? How it is being using in real word
2. How to install canopy software for programming
3. Demonstrated implementations with canopy software

Session was followed by hands on lab (HOL) with demonstrated all the fundamental things about python and session was wind up at 12.30 total duration of session is 3 Hours.
