A Report
Orientation program
To
M.Sc Computer Science

The Orientation was organized by BLDEA's S B Arts and K C P Science College, M.Sc. (CS) Department was organised and discussed about the Introduction to Academic, Co-curricular activities and Hierarchy of Management information system for M.Sc (CS) I semester students on 3rd August 2015 during the period 09:30am - 10:30am at M.Sc (CS)/ BCA lab.

The department Co-Ordinator Prof(smt) S.D.Patil initiated the session and gave the detailed information about College, Significance of Course and strategies, interdisciplinary course details and its importance in overall development of students career.

Further the session was continued by Prof(Smt) R.D Joshi, explained about POSH(Prevention of Sexual Harassment) Cell, Woman Empowerment Cell, Student Council Cell and also Red Cross Cell and its activities.

Continuing, Session was taken by Prof Santosh V Vambase about the infrastructure of lab and importance of Learning management system (moodle server) and also explained about Research, national and international paper publication, conference, workshop, project which has been implemented on seed money and webinars and the departmental TED TALKS and its importance in today's technologies.

The fourth session was followed by Prof. M S Jevoor about placement cell activities and campus drive in institutions, industrial visit and career guidance program for post graduation course and also explained placement cell policies and governing events which take place in institution. He explained importance of course in all aspects of life

Summarizing, the technical presentation followed by brief discussion on Course Introduction, department and various cells in College along with activities was conducted. Each faculty of the department participated in the program and discussed on queries from students.
