The participants entered the Hall with a mind full of doubts and some tinge of understanding about the topic of the workshop they were attending. The Welcome activity held by the Resource Persons was a jet start for the participants.

Students' participation in the Activity

Even the most, otherwise hesitant and shy natured student was seen here coming up with confidence in the Group Discussion activity.

A serene environment was built in the college premises on this day. The Students with their participation saw a drastic change which acted as a beginning of Make-over in their personality. This Session also went for again 3 Hours.
