Description:

Purpose of a group discussion is greater than simply judging your knowledge. The underlying reason why a GD is conducted is to assess you as a team member. You are supposed to possess a set of group discussion skills to ace in this round.

Please go through some crucial group discussion skills below to craft your very own GD strategy accordingly.

group discussion refers to a communicative situation that allows its participants to share their views and opinions with other participants. It is a systematic exchange of information, views and opinions about a topic, problem, issue or situation among the members of a **group** who share some common objectives.

GD is mainly conducted for students overall development including following Skills

1. To understand a subject or topic area more deeply.
2. To explore ideas and exchange information.
3. To expand and clarify your knowledge.
4. To improve your ability to think critically.
5. To improve your language skills.
6. To increase your confidence in speaking.
7. A discussion can change your attitudes and ideas.

Keeping all these objective, BCA department has organized the GD for all BCA students. The events are initiates and planned by the advance learners of our students from IIIrd and Vth sem. The organizing team for the GrouT Discussion is as sown bellow.
