Bijapur.

The Workshop was organized by BLDEA's S B Arts and K C P Science College, vijayapur held at BCA Department the topic was "INTERNET OF THINGS" on 27th and 28th February 2020 at 10:30am in L.H No-1.

The workshop was started with the inauguration function by our Co-ordinator Prof (Smt) S.D Patil. Shridhar Joshi B.Sc (cs) Coordinator. The workshop was jointly organised with **TechFortune pvt ltd** and the programme resource persons were Dr.Shweta Reddy and Dr.Jyoti R Desai and Suresh Reddy with his team.

The workshop initial started with technical presentation about the IoT with the basic concepts. The total 104 participants have participated in this workshop which includes 61 BCA students,30 B.Sc(cs) students and 13 M.Sc(cs) students. The participants were from diverse fields like computer science, electronics, biomedical, mathematics, and computer engineering and information technology.

During these two days, various industry experts shared their insights, real life scenarios, practical use cases and their solutions on The Internet of Things- Hands on Development. The session it provided the insights of IoT applications for smart home, smart cities, smart lights, smart retails, energy issues, health and life style and car connect.

The second half of session continued by another resource person predictive analytics and the Technology capabilities is transforming the industry with cloud data. She also discussed the various areas of IoT analytics application. She discussed real life use cases on IoT application and make the session really interactive by providing an opportunity to suggest a solution to real life scenario.

The session also included IoT demo applications with Ardiuno , NODE MCU and Raspberry Pi board. The second day of workshop was planned to provide hands on experience with IoT device and application. Participants were introduced to the

2

wifi concept from a programming point of view and its relevance to IoT device. All the participants participated in coding for accessing light and sensing on IoT kit though Wifi.

At valedictory ceremony, the participants were awarded the certificates The ceremony an function came to an end with a group photo session.
