

## Editor's Note

This Edition is with petite happenings as only Post Graduate studies in academics but the tradition of furling the streaks of achievements continues. The rendering of comprehensive spontaneity is the work-culture of the Academy. The activities chosen and furnished exhibit as the witnesses. The ultimate vista is to carve in the student the Statue of Perfection.

Regards,

Prof.Vidya R.Patil  
Chief Editor

## Our Pride

"Small daily improvements over time lead to stunning results."

-Robin Sharma.

### K-SET- 2018 Results

The stunning Results were witnessed in this year's K-SET Declarations. The June-2018 passed out Batch Students of M.A.(English) ,M.Sc.(CS) and M.Sc.(Chemistry) cleared their K-SET in their First Attempt .

Ramesh Pujari, Gururaj Malipatil,

Shamasodin Sheikh and Spoorti Hirekurbar

of M.A.English & Chemistry Department cleared their K-SET-2019 in First Attempt. This was the achievement of the Department as this feat was achieved without attending the Coaching Classes but solely by the guidance of the Faculty of P.G. Department of English.

# The Gymkhana Function

The Closing Ceremony of Cultural and Sports Activities of the academic year 2018-19 was held on 04/04/2019. Dr. Tejaswini Yakkundimath, Special Officer at Karnataka State Higher Education Commission was the Chief Guest of the occasion. Addressing the students she suggested reading the Biographies of the legends inculcates great mode of inspiration. These mark as the source of inspiration for the future. Later, she quoted Emma Seppala's views on Happiness and Success and elaborately related to the seven major steps one must take to become successful in life.

Shri S.S. Kori, Administrator of Sports, B.L.D.E. Association and Guest of the occasion shared his happiness by saying that the students of this college have equal achievements in Sports and Academics. Involvement in sports activities helps in the removal of academic stress and makes a man physically and mentally fit. Principal, Dr.K.G.Pujari in his Presidential Remarks said that presence of mind, utilization of Library, discipline and punctuality and active participation in the co-curricular activities are the best part of a student's life. The combination of dedication and determination makes the student to achieve more than what he/she has expected.

Dr. Ushadevi Hiremath, Professor in Kannada welcomed and introduced the Dignitaries. The Annual Report of the College Activities was presented by Prof. G. R. Ambali, Chairman of Cultural Activities. Various Scholarships, Prizes won in many Academic activities were distributed to the meritorious students of the college. All the students, Teaching and Non-Teaching Staff were present on the occasion.

## The Semester Recrudesces with.....

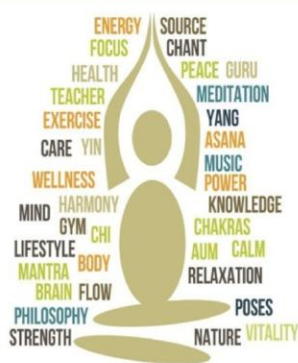

### The Saraswati Puja

या देवी सर्वभूतेषु वदियारूपेण संस्थिता।  
नमस्तस्यै नमस्तस्यै नमस्तस्यै नमो नमः॥

The U.G. Courses reopened on 17/6/2019. On this day the Saraswati Puja was performed to recapitulate the Academic Semester. The Principal, Faculty and Students were present on this occasion. This ritual of our Institution makes the strings of our rich Indian Culture to strengthen and thereby lay a strong foundation to the future generations.

This fostered the new regime to the novella beginning of another academic year. The Principal Dr.K.G.Pujari speaking on this day told about the future required entity cravings in the academics of the students.

## Celebration of the International Yoga Day

**“YOGA IS THE JOURNEY OF THE SELF,  
THROUGH THE SELF, TO THE SELF”  
Bhagavad-Gita**

The 5th International Yoga Day was celebrated on 21/06/2019 carrying out with the asanas in the college premises. Chief Guest and Yoga teacher Suman Kulkarni shared her valuable thoughts regarding yoga practice. She posited, the secret behind a stressfree life was with the practice of Yoga daily. The relish of Meditation and its after effects were explained here.

A comparison with the western exercises and results of reliability of Yoga was analytically explained. Principal, Dr. K. G. Pujari in his Presidential Remarks said that India has introduced Yoga to the world and the day for celebration has now apprehended an International acclaim. Yoga has become the ambassador of Health and Consciousness to the entire world. Professor G R. Ambali Welcomed and Introduced the Guest. Dr. U. S. Pujeri proposed Vote of Thanks. All Teaching Faculty, Office Staff and Students of the college were present on this occasion.

## Orientation Programmes

The Orientation Programmes for the U.G. (Arts and Science) Courses was held on 24/6/2019 in two Sessions.

The Induction of the Arts Courses was held at 10.30 am. The Principal, Head of the Departments of all the Subjects and Faculty were present on this occasion. The B.A. I Semester newly admitted Students attended the Programme. The Bird view of the Courses was given here for the new aspirants. Thus they were introduced to their study and the mode of engaging with it.

The Orientation Programme for the Science Courses was held at 3.00 pm. The Principal, HODs of all the Subjects and Faculty were present on this occasion. The B.Sc. I Semester Students attended the session which gave them the information of the Course they had enrolled.

## The Bridge-Course

**“Effort and Hard work construct the bridge that connects your dream to reality”.**

The Faculty and Students of B.C.A in the Bridge-Course

Bridge Course is one of the initiative adopted to give students the confidence and skills to successfully transit from P.U College to Degree Level. The Bridge Course is aimed to act as a buffer for the new entrants with an objective to provide adequate time to know about the Degree Courses. This Course is developed in such a way that concept of lifelong learning is cleared for every student.

Aiming at making the Under Graduate Courses smoother for the Freshers, all Degree Departments had organized One-Week Bridge-Course from 25th July 2019.

During this Bridge Course Week, interaction of the students with their Faculty and Classmates is initiated. The students will be equipped with the knowledge and the confidence needed to take on bigger challenges.

In spite of having very good grades at Higher Secondary Exam, students need to have exposure of the Degree culture. Hence this Course proves to be the best opportunity for the students to adapt themselves to new social and academic environment.

## Awareness Programme

The College on 26/7/2019 organised an awareness programme on the ‘addictions’ in association with the Revenue Department to commemorate the ‘International Day against Drug Abuse and Illicit Trafficking’. Drug and alcohol abuse is a growing hazardous trend among college students. Rather than playing catch up, college campuses are working to get ahead by offering classes and groups that discuss the risks of addiction.

The Chief Guest speaking on the occasion told about the day and its importance. In 1989 the United Nations declared that every year 26th June will be known for “International Day against Drug Abuse and Illicit Trafficking” to spread the awareness in the society about the bad effects of Drug addiction and prohibition of Narcotic drugs and its misuses.

‘Health for Justice. Justice for Health’, the theme for International Day against Drug Abuse and Illicit Trafficking 2019, highlights that justice and health are two sides of the same coin when it comes to addressing drug problems.

It was also made to realise that the present generation was going through a very delicate phase where immoral things become more attractive than moral things. Among them “Drug Addiction” is at the highest pace and place. To note down, India is one of the major hubs for illicit trading of drugs as reported by United Nations backed by International Narcotics Control Board 2018.

The information about the agencies like National Drug Helpline, Narcotic Drugs and Psycho traffic substances Act and also the role of the Revenue Department which acts as Administrator was given. Appeal was made here to take use of these agencies.

Totally the awareness was created regarding the use of addictions which would just destroy this beautiful life to hell.

# Extension Activities

## The Guest Lecture

### Synthesis of Nanomaterials

A Guest Lecture was organized by the Post Graduate Studies Department of Physics on 8th June 2019 on the Topic "Synthesis of Nanomaterials". The Guest Speaker was Prof.M.K. Rabinal, Professor in Department of Physics, Karnataka University, Dharwad.

Guest Speaker Prof.M.K.Rabinal, Dept. of Physics

The Topics - Introduction to Quantum Mechanics, Structure and Bonding, Synthesis of Nanomaterials, its Physical, Chemical and Biological Method and the Analysis Techniques were evaluated here in this Lecture.

The importance of Nanoscience in this modern world was enumerated to the attendees.

The use of nano technology to design pharmaceuticals and its role in curing of certain dreadful diseases was held as very important innovation of the modern science. Later the use of Nanomaterials in our Day-to-day life was also explained. The Faculty and Students of II and IV Semester of the Department attended the Lecture.

# IQAC INITIATIVE

## One-Day Workshop

### Curriculum Designing Development and Implementation

**The College had organized IQAC Initiative, Workshop on the topic “Curriculum Designing, Development and Implementation” on 27/06/2019 in the Seminar Hall of our College.**

**Dr. Vishnu Shinde addressing the Students**

The Resource Person, Dr. Vishnu Shinde, Professor Education Department, Akkamahadevi Karnataka State Women’s University, Vijayapur, eloquently persuaded the vivid acumen of curriculum and the ways to design it. He paved new revolutionary ways of approach to regulate authentic changes in the implementation and development of the Curriculum. The connoisseur held a voice to abandon the traditional way and imbibe spiralness in teaching process. The curriculum, he said teaching should be connected to National, State and Local liabilities and also Compartmentation of the subjects should be evaded and linking of the courses was recommended by him. Later, the IQAC Co-ordinator, Dr. U. S. Pujeri also enrolled with the thought of innovation in the curriculum design so that teaching would become more interactive. This practice, he said, would bring a natural flow in the Education System and revive the skill-based technique. This is the means of New - Ethical- Based -India. The Faculty of all the Departments attended this Workshop.
