Our Pride

"What is Pride? A Rocket that emulates the Stars."

-William

'Two Top Ranks sprouting out from our College and disseminating the aroma of achievement'

Miss Ashwini S. Hajeri,

sprouted out to be the cynosure of everyone due to her splendid spark of achievement in Taekwondo, a Korean Martial Arts. Her electric exhibition of High Professionalism, Will Power, Persistence and Excellency, effortlessly made her the "University Blue" for the Academic Year 2018-19. Her intensifying performance unquestionably lifted her to the another stage as she emerged to be the Representative of RCUB in the State-Level Taekwondo Championship held in Maharsi Dayanand University, Rothak, Haryana. With warm wishes for her future success, the College gives her a Standing Ovation for her Outstanding Performance hitherto.

Our College's NCC Cadet

Mallikarjun B Mathpatti,

Regt. No.KA 17 SDA 600170, studying in B.A. – IV Semester has brightened the name of the institution with his participation in this year's 70th Republic Day Parade held in New Delhi through our 36 Karnataka Battalion NCC Vijayapur under the guidance of Commanding Officer 36 KAR Bn & ANO. The institution felt utter pride as he participated in PM'S Rally dated on 26th Jan 2019. Our warm salute of reverence to this emerging young cadet.

The RCUB's Zonal Level Youth Festival-2019 turned to be the most memorable for the Institution as the students of our college effortlessly clinched the Championship Trophy with their magnificent performance in the each category of the Competition. Their enthusiasm, vivid layer of excellency, fervent vigorousness. Energetic performance indisputably placed them in the Championship Zone. We applaud our youth's lightening achievement.

OBSERVATION OF THE SPECIFIC DAYS

The Women Empowerment Cell

International Women's Day

The Faculty and Students preparing for the Walk-a-thon

The International Women's Day's celebrations were marshaled in an authentic way by The Women Empowerment Cell on 8th March, 2019.

All the Lady Faculty members and Girl students of the College held a Walkathon on this year's International Day theme "#balanceforbetter" with the theme colour, Purple. The March's march began at 8 am from our College and visited The P.G.

The International Women's Day's celebrations were marshaled in an authentic way by The Women Empowerment Cell on 8th March, 2019.

All the Lady Faculty members and Girl students of the College held a Walkathon on this year's International Day theme "#balanceforbetter" with the theme colour, Purple. The March's march began at 8 am from our College and visited The P.G.

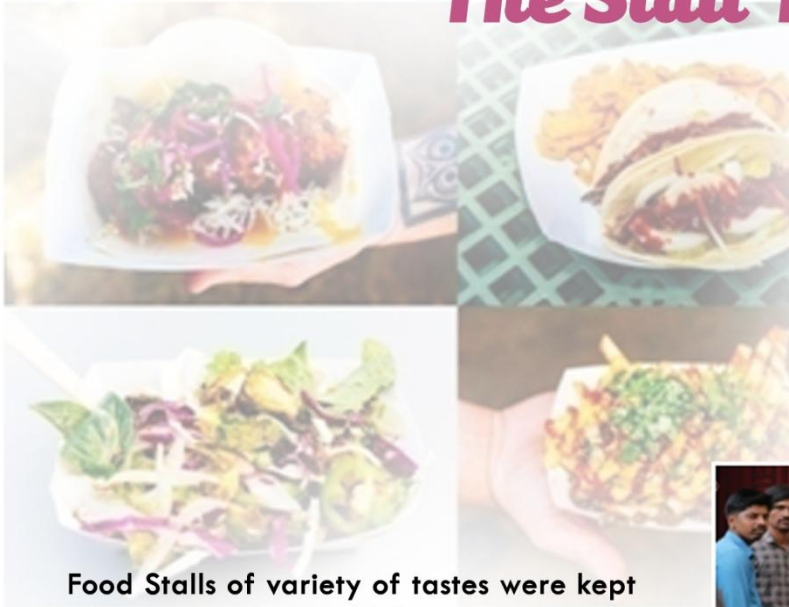

The Cultural Programs

The Cultural Programs were organized for the Girl Students in the Seminar Hall from 2.30 pm .All the Girls gave Dance and Song performances. They even spoke of the Day and its importance. The festive mood, with our Indian Tradition, was created in the college with all the girl students wearing saree.

A Greeting Card Making Competition was organized by the Women Empowerment Cell on 8-3-2019. This competition was held for both Faculty and Students (Boys and Girls) on the theme of this year's International Women's Day "#balanceforbetter".

The Faculty and Students enthusiastically participated in the competition and Cash Prizes: I-Rs.800, II- Rs.600 and III-Rs.300 were given to the first three Winners in the Students' category and Trophies in the Faculty section.

The Stall Fest

The theme of the International Women's Day "#balanceforbetter" was observed and catalogued by the Stall Fest. The Boys and Girls of the College held Food Stalls. Together it was a team work that worked and made this Event more meaningfully rejuvenating and deliciously flavored.

Food Stalls of variety of tastes were kept where the students sold their eatables with great pomp and sound. The mouth watering food right from Juices to Fruit Salads to beat the heat ; to chatpata the tongue taste with the variety of Chats; to groove the nutrition with healthy Salads, together made the variety more flavored

Students participated in the 'Stall Fest' held in the Campus

Women helping Women #PERIOD PROJECT

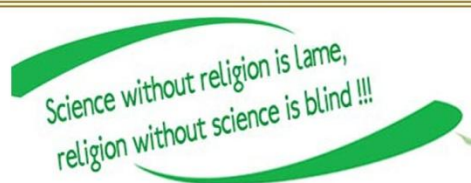

The Women Empowerment Cell organized a Talk on the "The Women helping Women #Period Project" on 9-3-2019 at 2.00 pm in Seminar Hall to create awareness regarding the Health and Hygiene of the Women and the Girls during their menstrual cycle.

Dr.Rajashree Ukali, Physiotherapist, Skin and Hair therapist spoke on the occasion and gave awareness regarding the cause of Uterus Cancer as one of the cause was due to the use of sanitary pads which are almost made of the recycled plastic which is very hazardous to the

Prof. Ashwini Hiremath sang the Invocation song

Also the information of different issues regarding the Period problems were explained here by the Resource Person. The Girls cleared their doubts and discussed about their Period Issues in the Session. This Session proved to be highly productive and informative for the students. The Girl Students and Lady Faculty alike took the benefit of this Talk.

National Science Day

The Department of Physics (U.G and P.G) celebrated the National Science Day on 28-2-2019. National Science Day is celebrated all over India in order to commemorate the invention of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman on the same day in the year 1928 . National Science Day 2019 theme was – “Science for the People and People for Science”.

The Students of Physics and Chemistry Departments were part of this celebration. The Head of the Physics Department Dr.S.B.Pattadkal schooled about the objectives of this Day which are very much essential to display all the activities, efforts and achievements in the field of science for human welfare,

- > To discuss all the issues and implement new technologies for the development of the science.
- > To give an opportunity to the scientific minded citizens in the country.
- > To encourage the people as well as popularize the Science and Technology.

More than 585 students underwent this Medical Examination.

SCHOLARSHIP

Principal Dr.K.G.Pujari giving the Scholarship Cheque to

Late M.B.Kori Memorial Educational Trust has been awarding Scholarships since 2007 to the laudable students of our College. In this Academic year 2018-19, the Trust donated Rs. 2,43,660 for 38 commendable students. In this Academic year 2018-19, Late M.B.Kori Memorial Education Trust gave the Scholarship of Rs. 23,660/- to the Meritorious and necessitous Student Kumari Neeta Biradar of B.Sc.. Principal Dr. K. G.Pujari gave the Cheque to the recipient.

Apart from this the students also took the benefits of the schemes proposed by the Government Scholarships. Here, 475 Boys got the concession amount of Rs. 16,62,886/- and the Girl students got the concession amount of Rs. 14,44,718/- during the month of January.

The Cultural Activities Cell

The Cultural Activities Cell of the College organized an Election Voting Awareness Programme "Vote for a Better India" on 26-2-2019. The CEO of Z.P, Vijayapur, Shri Kishore Surlekar was the Chief Guest of this awareness Programme. He vocalized here the concept that in democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote. The education of the recent efforts to motivate voters to exercise their right to vote and deliver information on the polling process, the Election Commission of India which has launched its internet channel – 'Voter Education Channel' was provided to the attendees. Another significant development in the domain of voters' awareness creation is the launch of 'Vote for India' campaign. This was articulated here.

The Drama performance by our Students

The District-Level Science Drama Competition with the theme of "Namma Bharata Swacha Bharata" was held on 24-01-2019 in B.L.D.E.A's Smt.Bangaramma Sajjan Arts and Commerce College, Vijayapur in collaboration with Karnataka Science and Technology Promotion Society- Karnataka Government Bengaluru, and Provincial Science Centre, Dharwad. The Eight-students group of our College participated in the competition, exhibited their talent and successfully won the Second Place with the Cash Prize of Rs.2500. Besides, our College's student Miss Bismilla Pinjara was awarded as the Best Actress with the Cash Prize of Rs.1000, Miss Shubha Hitnalli was awarded as the Best Director with the Cash Prize of Rs.1000 and brought fame to our College in the District-Level Competition. Prof. Shreedevi Bhairodagi had written the Dialogues for the Drama and Prof. Ashwini Hiremath provided the Music. Prof. G. R.Ambali, Chairman of Cultural Activities Cell, provided his valuable guidance to the students to achieve this feat.

The Zonal-Level Youth Festival was organized on 24th and 25th of February 2019 in the collaboration of Rani Channamma University,Belagavi and Sahyadri Arts, Commerce and Science College, Vijayapur. The students of our College grasped the attention of all by participating in all the Competitions. Our students recorded the tremendous achievement by grabbing the First Place in Ten Competitions - Indian Group Song, Western Group Song, Classical Instrumental Solo, Vocal Solo, Folk Orchestra, Tribal Group Dance, Classical Dance Solo, Mime, Quiz and Light Vocal Solo. They besides garnered the Second Prize in two competitions such as Rangoli and One-Act Play. With their breathtaking Performances, the students indisputably clinched the Championship Trophy of Zonal-Level Youth Festival- 2019. The Principal Dr.K.G.Pujari, all the Teaching Staff and Students unanimously applauded the Participants' proud achievement.

Department Activities

Study Tours

The Department of Zoology

The Faculty of the Department along with B.Sc. II Semester students visited Almatti back water reservoir to study Avian Fauna on 06.03.2019.

The team first visited the Chickasangama and here observed the presence of the rare species of Birds which are migratory in nature.

Later in the Day they visited Almatti Dam and Garden. Here also the study of the migratory birds which visit this Place during this season was studied about. Apart from this the beautiful Theme Gardens of Almatti were also visited.

The Department of Botany

The Department of Botany held a Study Tour for its VI semester students from 8-3-2019 to 10-3-2019. The Staff and the students visited Sirsi, Yanna, Dandeli and Gokarana. For the Faculty and the students of the Department, it was a very enchanting experience. The places which are decked with the forests have the informative and rare species of Medicinal Plants and Trees. To commemorate the things, the Nature was at its ultimatum.

The Bird Sanctuary, Kudagi Nature Camp and Sinteri Rocks were the Places visited in Dandeli.

Industrial Visits

Visit to Rico winery

The Department of Botany as a part of the Industrial Visit sojourned the Rico Winery pvt. Ltd. located in Kannal. The 91 students B.Sc.VI Semester (CBZ) and Faculty of the Department got the information of the Wine processing technology. The information of the Basic Wine Characteristics Sweetness, Acidity, Tannin, Alcohol and Body was collected. About the Variants: Red wine, White wine and Rosé wine was also explained in the Wine Processing Unit. The entire production of the Wine right from crushing to the packing was

Industrial Visit of the Department of Social Work

The Faculty and the students of the Department of Social Work arranged for the Two-Day Study Tour which was also taken as the Industrial Visit on 8-2-2019 and 9-3-2019. The Tour commenced with the visit to the Kirloskar Electrical Company Ltd. Hubli and the West Coast Paper Mill Pvt. Ltd. Dandeli. The two –Day visit was an excellent experience for the students.

The Department of English

The Students visit to the Department of English of Central University

The Department of English had organized a Two-Day Study Tour to the Historical Cities of Bidar and Gulbarga from 11-3-2019 to 12-3-2019. The Gurudwara, the Fort in Bidar, the Sharanabassapa Temple, Bandenawaz, Buddha Vihar and Central University were the places visited by the Faculty and the Students of the Department. The students held interaction with the faculty of the Central University and later visited the Central University's Library which is the magnanimous Library of the State. The tour proved to be informative and entertaining as well.

Study Tour to Hampi

The Department of History with the B.A. II Semester students visited the Heritage City, Hampi and the city of newness, Hospet, on 7-3-2019 and 8-3-2019. The Faculty of the Department took the students on the tour of the ruins of Hampi. The remains speak the grandeur of the city. The students very interestingly visited all the monuments and collected its details of the history and its importance.

Hampi has a rhythm in it which attracts hundreds of Tourists, Indian and Foreign, alike. This rhythm drives them to this City.

This City was seen with the exotic shades of the glory. The Mahanavami Dhibbha was the center of attraction. The other structures were very curiously observed by all the students.

The next Day, on 8-3-2019 the tour continued with the visit to Hospet. The Faculty and the students visited the Dam and the Garden. They returned back in the evening to Vijayapur.

Science in Day-to-Day Life

Dr.U.S.Pujeri felicitated in the National Level Seminar

"One-Day National Level Seminar for Science Students" was organized by Shri Krishna Rao Anna Rao Lokapur Arts, Science and Commerce College, Athani jointly held by the Departments of Chemistry, Physics and Mathematics on 7th March, 2019.

Dr.U.S.Pujeri, Associate Professor of Chemistry Department was invited as the Chief Guest

and Speaker of the Inauguration Session of the Seminar. He speaking on the occasion stressed on the point that our daily life is filled with science. From using a simple calculator, to closing of the door as well as using bigger washing machines, the entire world is made of science and its numerous innovations have only made it easier for us to spend our lives more comfortably than ever. He later on also opined that the advancement in Science is the reason why today we have found the cure for millions of diseases and ailments.

Dr.U.S.Pujeri was also invited as The Chair Person for the Paper Presentations of Chemistry in the Technical Session I.

The Department of B.C.A Techno-Philia

The Department of B.C.A. had organized various Activities for the Advanced Learners of the II, IV and VI Semester Students from 5-3-2019 to 7-3-2019. The details of the Day Events and Competitions are as follows,

On 5-3-2019 – A Quiz competition was held for both II and VI Semester students. This competition was conducted by the Faculty of the Department.

On 6-3-2019 – Group Discussions and Debate Competitions were held for II and IV Semester students. This competition was conducted by the Faculty of the Department.

On 7-3-2019 – The Program Debugging and PowerPoint Presentation was held for the II and IV Semester students. These Events were held by the VI Semester students.

All these three days was an informative festive environment for the students and faculty alike. The slow learners were the audience and the advanced learners the participants. 48 of II semester, 42 of IV semester and 25 of VI semester students participated in the Events on the I and II Day and on the III day 84 students of II semester and 04 Faculty members were the part of it. The enhancement of the knowledge in both the sectors was witnessed on these fruitful three days.

MOU Collaborations and Activities

The B.C.A. Department under the aspect of the MOU with the Government High School, Vijayapur organized a Field Visit for the students of the High School to the B.C.A. Computer Laboratory of our College. The Faculty members of the Department Prof.Sridevi Bhairodagi and Prof.Mallikarjun Melaguddi were the Resource Persons of this MOU Activity. 36 Students from the Government High School visited the Computer Lab. The Basic Computer Networks as well as Database Management Systems were explained to the students.

SPECIAL LECTURES

Padmashri Awardee Shri Ibrahim Sutar addressing the gathering

The Language Forum initiative Special Lecture was held on the topic “Bharatiya Samskriti” in our B.L.D.E.A’s S. B. Arts and KCP Science College, Vijayapur on 31-01-2019. The Principal Dr K.G.Pujari was Chaired as the President of the Lecture, Prof. G.R.Ambali, Chairman of the Cultural Activities Cell, Dr. S.T. Merwade, Head of the Language Forum were presented on the Dais. The prestigious Padmashri Awardee, Spiritual Thinker, Profound Philosopher Shri Ibrahim Sutara graced the occasion as the Key Speaker. A person with the arresting blend of Spirituality and Pragmatism, he touched the inner spirituality of the

attendees with his experienced speech. Speaking on the given topic, he propounded that India is such a Nation in the World Map which has given the everlasting qualities such as Morality, Spirituality, Humanity, Worship of Family and Gurus, Fraternity, Compassion to the Universe. He ridiculed the frivolous fight of human species in the name of Religion which in reality teaches the love, compassion, peace. Stressing further on the inestimable weightage of Indian Culture, he spoke that it’s the Indians who equal their Family and Guru to the Almighty. He recited few Vachanas which exhibited the richness of the teaching and preaching of Indian Culture to the World. He concluded his philosophical and aesthetic speech on one life-teaching Kannada song “Yenadaru aagu, ni modalu Manavanagu.....” which preaches the life fulfilling dictum ‘Be Human First’. The occasion was attended by all the Teaching, Non-Teaching Staff, and Students of the college who left the Hall with new and afresh teachings being filled in their mind and soul. Later, few students consulted him personally with their problems regarding their life and career in the IQAC room and he cleared all their doubts and relieved their stigma with his spiritual insight.

The Endowment Lecture

In collaboration with Prof. A.S.Hipparagi Club, Vijayapur, our College organized 15th Anniversary and Felicitation Programme on 02-02-2019. Principal Dr.K.G.Pujari chaired as the President of the occasion. Shri. Arun Shahapur, Minister of Legislative Council, inaugurated the Programme by watering the plant and appreciated the noble cause of the programme.

The Chief Guest Dr. Vijayalaxmi Balekundri

The Chief Guest Dr. Vijayalaxmi Balekundri addressed on the occasion with her insightful speech. The Achievers from the various fields were recognized and felicitated addressed on the occasion from the Club and the attendees lauded these wise individuals' wisdom and their contribution for the betterment of the Society. The President of the Club Mr.V.C.Nagthan, Members of the Club, various Scholars, Delegates across the City, all the Teaching, Non-Teaching Staff and Students of the college graced the occasion with their presence.

EXTENSION ACTIVITIES IQAC INITIATIVES

One-Day Workshop on the Topic “Framing of Hindi Curriculum”

Dr.S.T.Meherwade addressing the Delegates

The Department of Hindi organized One-Day Workshop on the topic “Framing of Hindi Curriculum” on 5-2-2019 .The Inaugurator Dr.Vishnu M.Shinde ,Dept. of Education, Akkamahadevi Women's University, Vijayapur speaking on this occasion explained the importance of having a right Curriculum. He added , Education prepares the students for the real life and real problems. Education is necessary to take into account those abilities, attitudes, habits and all appreciations and forms of knowledge. Curriculum is the design that allows us to plan academic activities.

The Keynote Speaker Dr.Meenaxi Bali , Professor Department of Kannada Women's College, Gulbarga talking on the Framing of the Curriculum opined Curriculum as syllabus, principally refers to content. But, what is curriculum as syllabus? Curriculum studying embraces syllabus design (the selection and grading of content) and methodology (the selection of learning tasks and activities). Furthermore, In Technical Sessions the discussions about curriculum as syllabus was taken up which included,

- The study of the purposes for which a learner needs a language.
- The setting of objectives, and the development of a syllabus, teaching methods and materials.
- The evaluation of the effects of these procedures on the learner's language ability.

Finally, the output of the Workshop was curriculum as syllabus is the best way to educate our students by the most effective methods.

The Principal, the Faculty members and the Students of the Department were present. This Workshop was also attended by Faculty and Students from various Colleges.

Workshop on Student Counselling

Dr.U.S.Pujeri welcoming the Chief Guest

Arts and KCP Science College, Vijayapur, IQAC initiative organized One Week Workshop on the Topic "Students' Counseling Skills" from 27-02-2019 to 02-03-2019 in the Seminar Hall of our College. Mr. Bhujabali Bogar, Happiness Engineer, NLP & Wellness Coach, Transformo Incorp, Bengaluru, was invited as the Resource Person for the Workshop who provided to the teachers the relevant yet pragmatic Skills for the

holistic growth of their students, academically and personally as well. The Workshop inculcated in the Teachers the various skills which would assist them to counsel the students and ignite in them the vivid techniques such as subconscious goal setting, creative thinking strategy, overcoming negative emotions and exam fear, building instant confidence, memory and concentration, developing employability skills etc.. The Principal Dr. K.G.Pujari, IQAC Coordinator Dr. U.S.Pujeri, Teaching Faculty of all the U.G and P.G Departments attended the Workshop and were benefitted largely from it.

Two-Day Workshop on Nano-Science

The P.G Department of Physics, had organized Two-Day National Workshop on "Nano-Science: Fundamentals to Basic Applications" sponsored by Karnataka Science and Technology Academy, Department of Science and Technology, Govt. of Karnataka, Bengaluru on 21-02-2019 and 22-02-2019. The Workshop was inaugurated on 21st of February at 9am in the Seminar Hall of the College by Prof. M.K.Rabinal, Department of Physics, KUD, Dharwad. Shri S.H.Lagali, Administrator, B.L.D.E Association, Vijayapur, Chaired as the President of the Workshop where he shed light on the concept of Nano-Science in general. Dr. C.H.Bhosale, Professor, Department of Physics, Sanjay Godawat University, Atigre, Kolhapur graced the occasion as the Chief Guest. The First Two Technical Sessions of the Workshop had Prof. M.K.Rabinal as the Resource Person. In the First Session he spoke about the "Fundamental Applications of Nano-Science". In the Second Session, he presented his views on "Nano-Science and Nano-Technology in Cleaning Clothes". Dr. C.H.Bhosale carried out the Third and the Fourth Technical Sessions on "Solar Energy-Assisted Purification of Water using Nano-Crystalline, Transition Metal Oxide, Semi-Conductor thin-films". The Second Day of the Workshop had Two Technical Sessions and Dr.S.M.Shivprasad, Director, Karnataka State Higher Education Academy, Dharwad was the Resource Person. He intermixed Science and Literature and provided his thoughts on the Topic "Alice in Nano-Land" and made the concept interesting and gripping. The last two Technical Sessions were handled by the Resource Person Dr.B.G.Hegade, Professor, Department of Physics, RCU, Belagavi, on the topic "Magnetic Nano Materials: Theory and Applications". Later, Valedictory Function was held at 5 pm in the Seminar Hall where Principal Dr K.G.Pujari chaired as the President, and Dr. B.G.Hegade as the Chief Guest. Totally 358 students from various Colleges across the State Registered for the Workshop. At the end, the Physics Quiz Competition was held. Miss Soumya Muttagi, Student of M.Sc. (Chemistry) of our College emerged as the First Winner with the Cash Prize of Rs. 10,000/- . Miss Zinab Firdose, Student of M.Sc. (Physics), Akkamahadevi State Women's University, Vijayapur, got the Second Place with the Cash Prize of Rs.6,000/-, Kumar Shivakumar Pradhani, Student of M.Sc. (Physics), Karnataka University, Dharwad, stood Third with the Cash Prize of Rs.4,000/-. These two days of the Workshop helped the Students and Teachers alike to gain their knowledge in the trending concepts of Nano-Science and Technology.

Guest Lectures

“There is no smarter professor than life,
and no wiser sage than experience.”
