#### The Flyer of the Webinar

The First Technical Session , Resource Person was Dr.Deepak Maragal, Manager of System Integration and Test department at New York Power Authority

(NYPA), New York, delivered his Talk on the Topic , “Innovations and Intellectual Property” ( <https://www.youtube.com/watch?v=bwDBfdhWmeE> ) . He in his very varied description of the concepts, Innovation and later the Intellectual Property explained the importance of these terms in our Day-to-day life. He in detail explained about the Patent and its essentialities in the Intellectual and the Research world .This one hour Session and the Discussion-time of 15 minutes turned out to be very fruitful for the seekers of the arena of Intellectual Property.

The Second Session with the Topic. “Intellectual Property – A Bird’s Eye View” ( <https://www.youtube.com/watch?v=-12VbHPdGLg> ) was also very innovatively elucidated by its Resource Person, Mr. Leslie Pinto. He is a Partner in AlAli Auditing Firm, Dubai. The Resource Person in this Session spoke elaborately on the Topic of Intellectual Property Rights. He explained the topic by taking the relevant examples. This Session also extended with the explanation and the discussion for 1hour and Fifteen minutes.

The Webinar with Participants from all parts of India, Europe, USA and Dubai gave a Feedback of ‘Excellent’ as its overall Credentials. The Screening of the Webinar was done in the College Seminar Hall for the Faculty maintaining the Social Distancing. The E- Certificates were issued immediately after the filling of the Feedback with the completion of the Two Sessions.
