**REPORT**

As a part of observing Wildlife Conservation Day 2021, under Eco-club, department of botany organized screening of documentary titled “**WILD KARNATAKA**” on 04-12-2021 at 3:30pm in Seminar hall 1. The documentary *Wild Karnataka* is a 2019 Indian natural history documentary on the Indian state of Karnataka's rich biodiversity, most of which is still unknown to the general public. Produced by Amoghavarsha JS and Kalyan Varma in collaboration with Icon Films and Mudskipper, the film was narrated by Sir.David Attenborough. *Wild Karnataka* displays the varied habitats and species across Karnataka. The film is story driven. Subjects include tigers and elephants, along with lesser-known species like the Lion-tailed Macaque, Hornbills, Water dogs, dragon lizards, migration birds, leopards, black panthers, amphibians and reptiles. Along with the English original, the film was dubbed in **four Indian languages (Hindi, Tamil, Telugu and Kannada)**.

The Kannada dubbed version by Rishab Shetty was screened for students and they have enjoyed beauty of Karnataka. Students while sharing their opinion promised to create awareness on wildlife conservation and contribute from their end in possible ways.
