## Department of Zoology

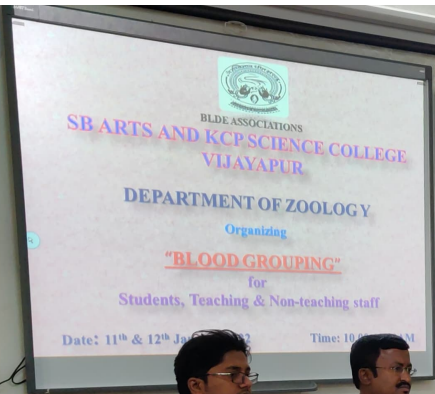

### Report on Blood Grouping Test

Department of Zoology has organized the **FREE BLOOD GROUPING TEST** as a best practice of department every year for all the students, teaching and non teaching faculty of our college. Majority of people are not aware of blood grouping. The accurate grouping of blood is very important when it comes to having a blood transfusion. To create awareness and to know the blood group of an individual free blood group test was organized. We do blood grouping using a kit. This programme of blood grouping is very beneficial to update the information of any filling forms like Identity card, Employee information, Driving licenses, Admission etc. 152 members actively participated in the blood grouping test on 11<sup>th</sup> to 12<sup>th</sup> January 2022. The responses from benefices are appreciable.
