Report on NAAC Sponsored One-Day National Level Seminar

Dated: 26 /2/2020

Inaugural Programme

The Internal Quality Assurance Cell (IQAC) of BLDE Association's S. B. Arts & K. C. P. Science College, Vijayapur had organized the NAAC Sponsored One Day National Level Seminar on the topic, "Understanding the Parameters of Standard Operating Procedures for Quality Improvement, Quality Assessment and Effective DVV Process" on 26th February, 2020 at the Seminar Hall of the College. The Seminar commenced with Invocation by Prof. Ashwini Hiremath, Department of BCA. Dr. U. S. Pujeri, IQAC Coordinator Welcomed and Introduced the Guests. The function was inaugurated by Dr. M. B. Kothale, the NAAC Assessor and Former Principal of KLE Society, G. I. Bagewadi college, Nippani. Presenting his Inaugural key address, he appreciated the importance of the selection of the topic as per the guidelines of revised NAAC process. He said that NAAC members are not fearful, but cheerful, they are fact seekers not fault seekers. He further added that the assessment procedures such as 70% of data would be assessed by software & 30% of data by Peer Members of the NAAC. He stressed on the proper documentation of data to get higher grades. Dr. R. B. Kotnal, Principal of BLDEA's S.S.M Pharmacy College Chaired as the Chief Guest, Dr. K. G. Pujari, Administrative Officer of BLDE Association was the President of the Programme. The principal of S. B. Arts and K. C. P. Science College Dr. A. S. Pujar was also honored on the dias. Prof. Vidya R. Patil presented Vote of Thanks. The anchoring of the Session was done by Prof. Rashmi Patil, Department of PG Studies in English.

Principals, Teaching & Non Teaching Staffs of various colleges were benefited from this One-Day National Level Seminar.

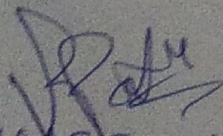

Technical Session I

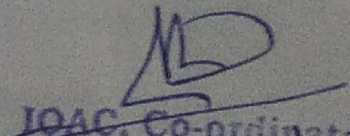

The Seminar had Two Technical Sessions: The First Session began at 11.30am on the topic- "Online A & A Methodology in Revised NAAC Accreditation Framework" handled by the Resource Person Dr. M. B. Kothale, the NAAC Assessor and Former Principal of KLE Society, G. I. Bagewadi college, Nippani. The resource person was introduced to the audience by Prof. Daneshwari. Mulimani, BCA Department and was welcomed by Placement Officer Prof. Pavankumar Mahindrakar, Department of PG Studies in Computer Science.

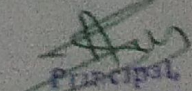

Dr. M. B. Kothale said that for the assessment of a unit, the NAAC follows a three-stage process which is a combination of self-study and peer review. The self-study report to be validated by the Peers is the backbone of the whole exercise. Manuals have been developed with detailed guidelines on the preparation of the Self Study Report and the other aspects of assessment.

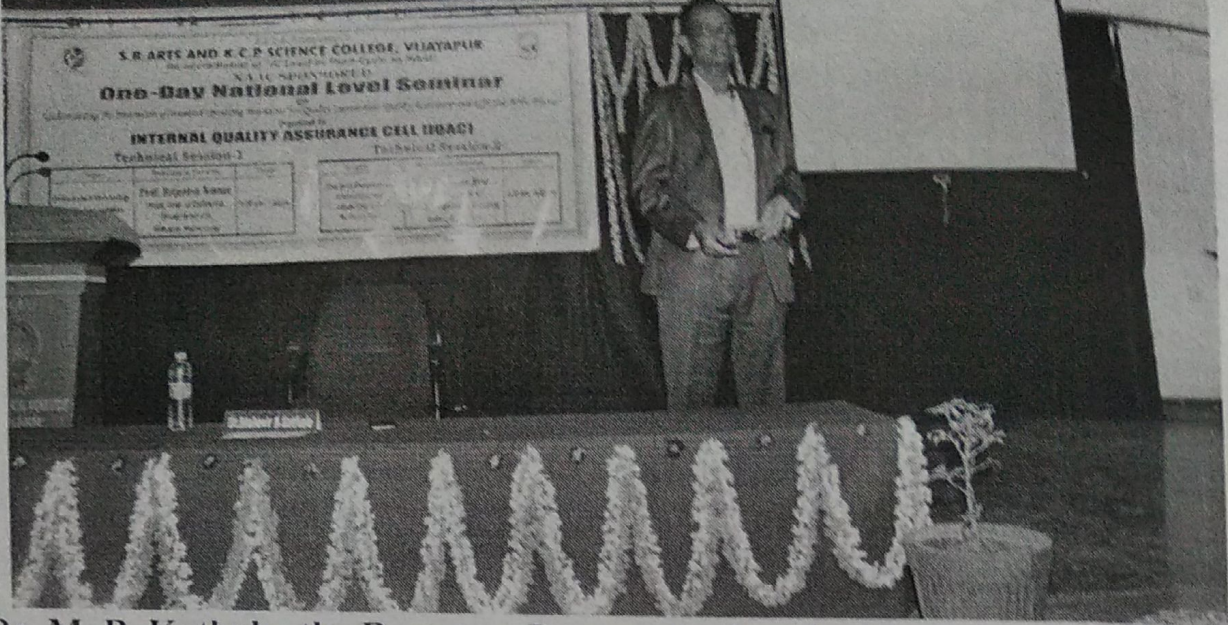

Dr. M. B. Kothale was introduced by Prof. Daneshwari. Mulimani

Technical Session II

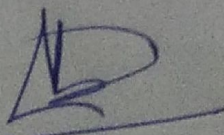

The Second Technical Session began at 2.30pm after the Lunch. The topic of this Session was "The Best Practices and Distinctiveness: Understanding Its Procedures". The Resource Person was Prof. Robert Jose, Chairman, Department of Studies in English, V. S. K. University, Ballari. The resource person was introduced to the audience by Prof. Shainaaz Nadaf, Department of Physics and was felicitated by IQAC Coordinator Dr. U. S. Pujeri.

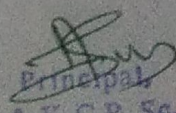

He opined that the procedure depends solely on the Creative and exceptional thinking and strategies of Faculty. Those practices must be beneficial both, to the institution & the students. They will also enhance the humanitarian qualities among the students.

S. B Arts and K. C. P Science College****About the Association:**

The B.L.D.E. Association's S.B.Arts and K.C.P. Science College, a Pre-Independence College with the tradition of academic excellence was established in the year 1945. The trodden path of 75 years of the College showcases the vibrant and variant achievements which in itself classifies this Institution as transcendent. The Arts discipline is named after its founder Poojya Shivayogi Sangan Basava Swamiji and Science is named after its donor Shri Kanai Chamanagouda Patil. It is an honour and historic feat to note that the foundation stones of the college were laid by Bharat Ratna and Nobel Laureate Sir C V Raman. The College has been visited by eminent personalities like General Kanyappa, Dr. V. K. Gokak, Dr. D. C. Pavate, Lt. General Halagali, Shri S.R. Hiremath, a Social Activist, Prof. C.N.R Rao and Vice-Chancellors of various Universities. The Institution presently has three U.G. Courses - B.A., B.Sc. and B.C.A and Four P.G. Courses - M.A. (English), M.Sc. (Computer Science), M.Sc. (Chemistry) and M.Sc. (Physics).

About the NAAC

National Assessment and Accreditation Council (NAAC) was Established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research infrastructure, learning resources organization, governance, financial wellbeing and student services.

About IQAC:

Internal Quality Assurance Cell of our institution is a dynamic system ensuring continuous quality

enhancement since its inception in 2003 by inculcating and nurturing the Best Practices. It acts as a nodal agency for all the quality related activities of the college. IQAC organizes Regional, State and National Level Seminars and Conferences regularly on various domains of higher education. As auditing system and its process, IQAC of our college has decided to organize a National Level Seminar on Academic and Administration audit for which NAAC has extended its academic and financial support through its sponsorship.

About the Seminar:

Education is a very powerful instrument for social change and transformation and innovative teaching practice is the only way to enhance the quality of our education. This is made more challenging and participative by NAAC. The use of innovative methods in Educational Institutions has the potential not only to improve education, but also to develop creatively, empower people, strengthen governance and galvanize the effort to achieve the human development goal for the country a bachelor's degree is life training. And the best time to get a chunk of that under your belt is in those transition years as you are first forming ideas about what you want to do with your life-inside and outside of your career. Even the Ministry of HRD has insisted all the educational institutions to use the technology in classroom. As per MHRD report highest number of students has been enrolled at Undergraduate level across India. This further extends to the students enrollment in the Post Graduate Courses. A country's future rests on the shoulders of its youth and children, quite specifically on how they are taught and engaged to think and act. If the 21st Century is truly the age of cataclysmic change and creatively then nothing less than a paradigm shift in the education system will do. While technology increasingly will play a major role in disrupting legacy education models it will equally place heightened emphasis on human beings' capacity to create and innovate in the face of rapid change and complexity. An innovative effort of an institution helps in its academic
