14.	Aarehan	B.Sc	Aarehan
15.	Jothi Perdal.	B.Sc	Jothi
16.	Tejashwini	B.Sc	T. Prabhakar.

Report of the Programme

An Interaction with the Senior Scientist

The Women Empowerment Cell had organised a Programme, "An Interaction with the Senior Scientist". This was a Talk with the Senior Scientist of ISRO, Dr. Roopa on 18/2/2020 at 12.15pm. This was a great motivation to our Students when she shared with her experiences. Dr. Roopa, the senior Scientist of ISRO was the team member of the India's Project MOM, a Project to Planet Mars. It was a moment of glory and achievement to all the Lady Faculty of the College and the Girl Students to get such an opportunity to interact with such a great personality. This was a moment of Pride to all of us. Dr. Roopa shared the procurements of her long journey and also deduced about the importance of balancing the things between home and workplace for a woman and also highlighted about the support from home for her which alone made her to reach the path of success.

The Faculty and the students showered the electrified questions in excitements regarding the MOM Project. Even some questions regarding the Hindi Film "MOM" were put forth by all the presentees. The moment here was like a 'Golden moment captured' for all the Faculty and the Students alike.

The Talk held a great spirit of inspiration and many aspirated Scientific Minds were illuminated on this Day.
