Sub: Regarding Health Awareness Programme (various age groups) for Women.

Dear Sir/Madam,

Greetings from **Korbu Women's Care Hospital**: - wish you a very Happy New Year and Happy Sankranti.

Here we are conducting Health Awareness Programme (various age groups) for women in view of International Cancer Observation month (January).

Here I request you to make us an opportunity to provide awareness of cancer and Preconceptional care and make the students and staff to utilize the same.

Kindly permit and provide the schedule for the same.

Thanking You.

The Workshop on “Women Health and Wellness”

The Women Health and Wellness is a concept which needs to be advised as it is the one most neglected by women. A Workshop was held on 29/1/2020 by the Women Empowerment Cell. This Workshop began at 10.30 am and was divided into Two Technical Sessions and the Resource Person for both the Sessions was Dr.Jyothi Korabu, the famous Gynecologist of Vijayapur .The First Session had an Address for the Girl Students about their Health and the precautions they have to take during their age. The understanding of certain Health prospects like different types of menstrual problems and many such others were advised here. The information of Cup Sanitary Napkins was also given to the Students. The Students also came forward in the discussion Hour and clarified their doubts.

The Second Session began after the lunch Break at 1.00 pm. This Session was for the Lady Faculty . The Health and Wellness of the Women after marriage and child birth and the taking care of their health at Menopause and many things related to the different phases of life ‘She’ encounters were discussed here in this Session. The Question Hour after this Session proved very useful to all the Faculty present here.

The Women Health and Wellness was very aptly explained in this Workshop and the further Health Checkup was carried on in Korabu Nursing Home for the ones who had any health related problems.
