REPORT

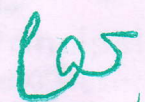

The Department of the P.G. Studies in English screened the TED Talk for the Students of I and III Semester on 18-02-2017 at 12.30 pm in Lecture Hall No. 4 on the Topic "Everyday Moments Caught in Time". The Poetry and life, the wonderful skilful arrangement and connection is organised in this TED. Combining dry wit with artistic depth, Billy Collins shares a project in which several of his poems were turned into delightful animated films in a collaboration with Sundance Channel. Five of them are included in this wonderfully entertaining and moving talk.

The interactive Session was held after the TED which had a very enthusiastic participation by all the Students. The animated series of explanation of the Poetic concept was very much applauded by the students as the central idea contained in the Poetry was very well detailed to them. PG Coordinator Prof.V.R.Patil, Faculty Prof. Rashmi Patil, Prof Santosh Halli monitored the Screening.

TED TALK 2017-18

REPORT

The TED Talk was screened for the II and IV Semester Students of the Department of the P.G. Studies in English on 18-10-2017 at 12.30 pm in Lecture Hall No. 4 on the Topic "The Politics of Fiction". The TED by Elif Shafak very beautifully correlates and coordinates with the varied clusters of people and transcending the concepts of 'Hope' and concludes can be achieved by the art of telling stories. Listening to stories widens the imagination; telling them lets us leap over cultural walls, embrace different experiences, feel what others feel. Elif Shafak builds on this simple idea to argue that fiction can overcome identity politics.

The debate was put forth for the students after the TED and all the Students very ardently participated and had varied opinions of the genre of Fiction and the importance of stories in ones life. PG Coordinator Prof.V.R.Patil, Faculty Prof. Rashmi Patil, Prof Santosh Halli monitored the Screening.
