SUB: Regarding the Financial Assistance for oil Adulteration Analysis project work

Respected sir/madam,

We, the above mentioned PG Students in M.Sc Chemistry final year would like to carry out project work on "**OIL ADULTERATION ANALYSIS**". We have collected 15 samples and taken IR. For further heavy metal and chemical analysis in those samples. Hence we request your kindness to assist financially in the above mentioned project.

Further Dr.M.S.YADAWA sir will be our guide the project will be completed in four months from the date of project approval. We look forward for your co-operation in this matter.

continued

Estimate of the project :

Experimental analysis	Expenditure
1. Heavy metal analysis [lead, Cadmium, Chromium, Mercury]	Per heavy metal – 350Rs Per sample – 700Rs For all 15 samples = 10500Rs
2. Fluorescence	Per sample -700Rs 5 samples = 3500Rs

Total = 14000 Rs

Thanking you

Yours faithfully

Project Report

This is to certify that, the dissertation entitled “**Physico-chemical and spectral study of edible oils**” submitted by **Akshata S. Nandagaon (CH162001) & Basavaraj N. Dabale (CH162007)** for the partial fulfillment of the required for the degree of M Sc in General Chemistry is based on the result of experiments carried out under my supervision.
