Date:21-09-2017

Notice

Our Department has arranged a guest lecture for B.Sc. Students in Physics & Electronics on 25-09-2017 at 3.00pm in the seminar hall.

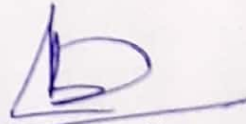

Dr.M.K.Rabinal, Professor, Department of Physics, Karnataka University, Dharwad is giving a lecture on "Glimpse of Nano Science with their Emerging Applications".

All the students should attend the lecture without fail.

Ε- CLUB

REPORT ON GUEST LECTURE

Department of physics organized a guest lecture on 25-09-2017 as a part of activities under Ε -club for the year 2017-18.

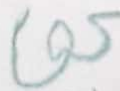

Dr. M.K.Rabinal professor department of physics KUD was resource person. He delivered a lecture on "Glimpse of Nano science with their Emerging Applications"

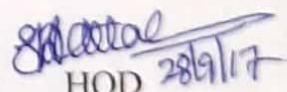

During his lecture Dr. M.K.Rabinal showed suitable & most effective video clips regarding the natural use of nano science.

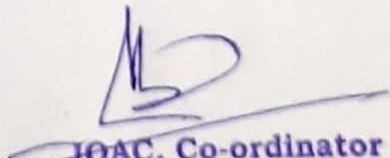

Today nano science technology is fast developing field and finding many applications. Our college UG, PG students and staff participated in the interaction with Dr.M.K.Rabinal. He also sorted the queries of the students related to nano science

The guest lecture was well appreciated by students and staff. The entire programme co-ordinated by Prof.M.S.Yadagiri associate professor in physics.

A REPORT ON GUEST LECTURE

Department of physics organized a guest lecture on 23-01-2018 as a part of activities under €-club for the year 2017-18 .

Dr. N.H.Ayachit professor department of physics RCU Belagavi was a resource person . He delivered a lecture on " Observations"

During his lecture Dr.N.H.Ayachit gave many suitable and effective examples on observations which we see in our daily life but didn't observe from the physics point of view.

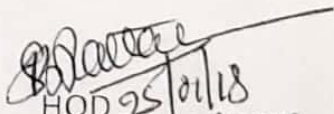

Our college students and staff participated in the interaction with Dr.N.H.Ayachit He also sorted the queries of the students related to observations .

The guest lecture was well appreciated by students and staff . The entire programme co-ordinated by Prof.S.S.Kori associate professor in physics .

Chairman
