DEPARTMENT OF BOTANY

REPORT ON ORIENTATION/AWARENESS PROGRAM ON PLANTING AND PLANT ADOPTION

As a part of department best practice an orientation/awareness program on Plantation and Plant adoption was organised by department of botany on 18/08/2019 at 3:00pm in seminar hall.

When every human being made part of nature, conservation efforts it has a positive impact in their life. Ganagambika Biradar said, while expressing her views regarding plantation and plant adoption. She informed the students about maintenance of botanical garden. Lets all nurture the nature for our better future. She also addressed, its our duty to protect environment beauty. Its not yours not mine, it is ours. So lets protect our motherland who nourishes us.

The interested participants were divided into three teams which were named with renowned botanist. Teams were assigned with their responsibilities.

DEPARTMENT OF BOTANY
ANNUAL REPORT
ON
PLANTING AND PLANT ADOPTION

As an extra-curricular activity our department conducted best practice on plantation and plant adoption drive every year. On 18/08/2019 our department organised to create awareness program plantation and plant adoption. This practice was designed in such a manner that, students were added to three different teams and 45 students were involved in this task. The participants were assigned different tasks to look after the plants.

This practice help our students to gain scientific knowledge and experience in planting. The students actively participated and collected various plants from different nurseries and horticulture departments from Bagalkot, Alamatti and different localities. It also helped them to identify medicinal and ornamental values of plants.

The practice was in progress till lockdown due to Covid-19 pandemic. Due to lockdown the practice was paused in the campus. Due to this reason students were informed to do plantation in their localities itself. So many students participated with enthusiasm. Students were instructed to capture the picture the task and sent to their respective teachers whats app group. Once the lockdown was relaxed this best practice was resumed.
