Report on One-Day Workshop on "Media Studies"

The Department of UG and PG Studies in English of B.L.D.E.A's S.B.Arts and KCP Science College, Vijayapur had organized One-Day Workshop on 'Media Studies' on April 13th, 2018 at 9:30am in Seminar Hall of the college. The Workshop had been inaugurated at 9:30am by Dr. Chand Basha, Head and Assistant Professor in Govt, First Grade Degree College, Lingsur. The President of the occasion Dr. K.G.Pujari presented the Presidential remarks for the inauguration.

The workshop had Two Technical Sessions. The First Technical Session commenced at 10:30am by the Resource Person of the Session Dr. Chand Basha on the topic "The Mimetic Interface between Films and Literary Texts". Here he presented how the same content could be presented in literary texts and films and the effectiveness of both the modes on the audience and readers. He opined that Film and Literature are connected and related to each other but still they are different in their own ways. It has always been one of the most fascinating forms of knowledge which has made great impact on human psyche. Many classic and cult literary texts had inspired countless directors to direct film on the content of the literary text and surprisingly it has created the same impact on the audience as that of the text on the readers. He further opined that the relation between film and literary text is based on mimetic theory and has the close resemblance on one another. The First Session was truly fruitful which provided deep knowledge on relation between Film and literary by the versatile Resource Person. After The First Technical Session, the Lunch Break had been given, providing them the delicious food by the organizers.

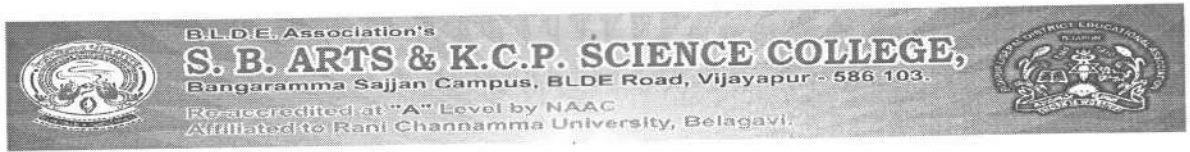

The Second Session commenced at 12:15pm by the Resource Person Dr. Nagraj Holennavar on two topics, "Illusions and Reality in Modern Mass Media: The Perspectives on Language and Action" And "Situational Archetypes in Indian Movies". He gave in depth analysis on the topic of the illusions created by the mass media out of reality. Modern Mass Media creates the world of illusions which truly fascinates the Youth. The Reality has rare impact on the generation and illusions plays the major role which attracts them massively.

The Workshop was indeed successful with the involvement of the students and Research scholars from the various universities and colleges. Total 160 students had registered their names and had been given the Kit which included the Certificate too. The delegates, the students, the teaching and non teaching staff cherished the intellectual time during the Workshop.
