A REPORT ON

Guest Lecturer- Python Programming Language

On

February 24th, 2020

For

M.Sc.(CS) Students

2019-2020

Guest Lecturer

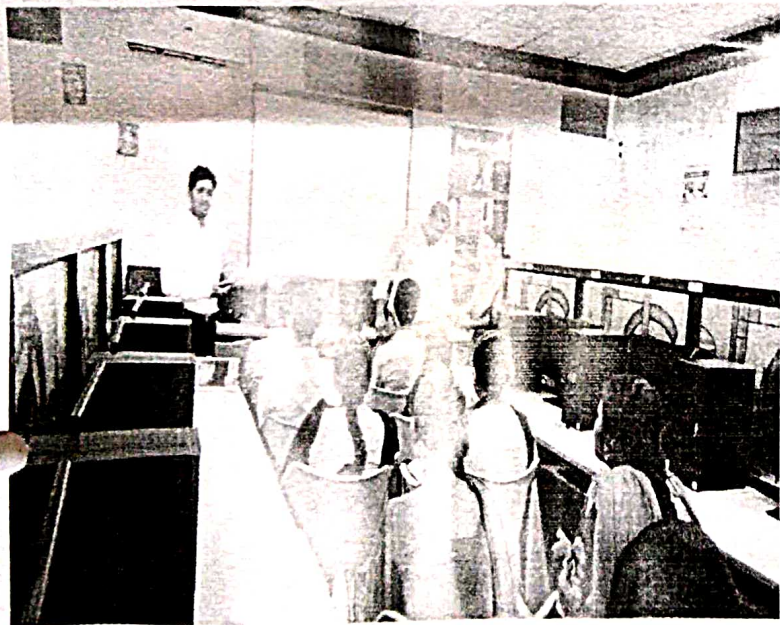

Mr. Bapu Tavildar

A Report
Python Programming Language

The guest lecture was organized by BLDEA's S B Arts and K C P Science College, Vijayapur M.Sc. (CS) Department; topic was "Python Programming language" on 24th February 2020 at 10.00am in Department Lab. The resource person was Mr Bapu Tavildar, Senior Software Engineer from Cognitive Clouds, Bangalore.

The guest lecture was commenced with the Emerging Technologies of today's Corporate Sector. Then he started with fundamentals of python programming language and he explained in detail about the python programming language and its uses in real world applications. He explained Features of Python object-oriented and also interactive having wide portability and high-level programming language. It was created by Guido van Rossum during 1985- 1990. Like Perl, Python source code is also available under the GNU General Public License (GPL). He explained Basics of variables, Syntax, basic operators, loops, strings, lists, tuples, classes, objects, namespaces, inheritance & how to handle exceptions, functions, and modules and also explained these points with examples. Finally he discussed with the students about the comparison of python with other languages. Totally 12 students benefited from this session.
