M.Sc (CS) Programme

2019-2020

A Report on Two Days Workshop

ON

"INTERNET OF THINGS (IOT)"

Resource Persons

1. Dr. Shweta Reddy
2. Dr. Jyoti R Desai

Organised By

M.Sc. (CS) Department

For

M.Sc (CS) B.Sc (CS) & BCA

Date: 27th, 28th Feb-2020   Time: 10.30am to 5.30pm

A Report

The M.Sc(CS) department, BLDEA's S B Arts and K C P Science College, Vijayapur. Organized the Workshop on "INTERNET OF THINGS" on 27th and 28th February 2020 at 10:30am in L.H No-1.

The workshop was started with the inaugural function by our Co-ordinator Prof (Smt) S.D Patil & Prof Shridhar Joshi B.Sc.(cs) Coordinator. The workshop was jointly organised with **TechFortune Pvt Ltd, Banagluru** and the programme resource persons were Dr. Shweta Reddy and Dr.Jyoti R Desai and Mr Suresh Reddy with his team.

The workshop initially started with technical presentation about the IoT with the introduction, advantages& disadvantages and its applications. There were totally 114 students took active participation in this workshop. The students were from different streams like computer science, electronics, biomedical, mathematics etc.

During these two days, the resource persons shared their viewpoints with real time applications, practical use cases and their solutions on The Internet of Things- Hands on Practical. The session provided the information about IoT applications for smart home, smart cities, smart lights, smart retails, energy issues, health and life style and car connect.

The second session continued by another resource person predictive analytics and the Technology capabilities is transforming the industry with cloud data. She also discussed the various areas of IoT analytics application. She explained about real time applications and makes the session really interactive by providing an opportunity to suggest a solution to real life scenario.

The session also included IoT demo applications with Ardiuno , NODE MCU and Raspberry Pi board. The second day of workshop was planned to provide hands on experience with IoT device and application. Participants were introduced to the Wi-Fi concept from a programming point of view and its relevance to IoT device. All the participants participated in coding for accessing light and sensing on IoT kit through Wi-Fi.

At the end of the session students interacted with the resource persons and clarified their doubts regarding subject, the students were issued the certificates. Totally 114 students were benefited from this workshop.

The Glimpses of Workshops

Key Note Address by Prof. (Smt) S D Patil
