INDUSTRIAL VISIT:

An Industrial visit to "INFOSYS", Bengaluru, KA, was organized by the Department of BCA of BLDEA's S B Arts and K C P Science College on Saturday, 16th September 2017. In total, Fourty Three students (BCA and M.Sc.-CS) and seven faculties visited to INFOSYS Pvt. Ltd. to interact with the Software Industry so as to understand current market scenarios, latest most - demanding technologies & criteria for selection e t c . In this visit students were very eagerly waiting for listening to industrial higher authorities. In the morning, at 10:30 am, we visited to INFOSYS Pvt. Ltd. We divided our students in the batch of 6-7 students per batch for the visit and the interaction with the industry person. The HR team of INFOSYS Pvt. Ltd. conducted very informative session for the students. Also he motivated the students to select their domain and area of interest. He also guided the students to select the areas like web development , mobile application development & software testing etc . and its importance in the current software market. He also guided on various domains which is their working environment.

Finally, he gave a brief introduction of culture at INFOSYS Pvt. Ltd. and other IT Companies of various locations to the students. The session was concluded with Question -Answer session. Many of the students asked different questions to the HR team on current demanding technologies, market scenarios etc. and he cleared all the doubt and myths which was in students mind about the technologies and IT sector.

All students were satisfied after the session. Company motivated to the students by giving token of affection in the form of goody's. The visit came to an end at 3.00 p.m.

Finally, we left the premises at 3.30 p.m. It was an informative, interesting and a successful visit. As students of BCA and M.Sc.-CS, they understand a live Software applications and importance of technology selection, etc . We express our thanks to the HR and all team members of INFOSYS Pvt. Ltd. who spent their valuable time for us .
