ECO-CLUB

Policy document on green campus initiatives

In order to make students more eco-minded and turning their attention towards becoming environment-friendly, our college has formulated some policies as follows:-

1) Restricted Entry of Automobiles.

To create pollution- free and eco-friendly environment in the campus .Vehicles will be allowed only up to the designated parking area. Entry beyond that point is strictly prohibited.

2) Battery Powered Vehicles

In addition to environmental benefits, college will realize reduced fuel and maintenance costs by using battery powered vehicle.

3) Pedestrian Friendly Pathways

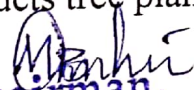

Roads inside the campus are well maintained. Pedestrian can walk safely through the campus through walk friendly pathways.

4) Ban on the Use of Plastics

The staff and students of college are requested to strictly adhere to avoid the use of plastic in and around the college/hostel and to make the campus clean and green.

5) Landscaping with Trees and Plants.

As our campus have natures inbound gifts of trees and plants all around us, all through the entire campus has been landscaped with green grass, ornamental plants and shady trees adding to the beauty of the campus. Department of botany conducts tree plantation programme on various occasions.
