Notice

Ban on Use of Plastic

This is here to bring in notice by the Eco-club for the academic year 2017-18 In the light of single use plastic product by Karnataka Government the staff and the students of the college are requested to strictly adhere to avoid the use of plastic in and around the college/Hostel with immediate effect to make the campus clean and green.

Further all faculties and students of the college are requested to kindly co-operate and replace it with environment friendly alternatives.
