DECLARATION

In response to the DVV findings on 3.4.4 cross verification was done by the HEI and found the suggestions of DVV is similar to the institution observations on reconsidering DVV findings to count only one student even when student have participated in multiple events. Thus institution accept the DVV suggestion of considering 1000 per year as number of students participated in extension activities.

Further DVV finding of necessity of having student signature on the attendance sheet of 4 events, institutional verification found presence of student attendance sheets along with signature at the end of reports provided as the link for the events 1. Plastic ban in campus and 3. District level Swami viveknanda speech anniversary. We are resubmitting the Documents of the attendance Sheets for the Events as the DVV Suggestions.

Absence of student signature in event 2. Fit India freedom run is due to conducting event in online mode as students participated from the place they resided as due to restrictions of COVID-19 pandemic of not organising any events in group or offline mode.

The Attendance Sheet of the Students participating in the Walk-a-thon Event was left out which was the human error, we seek pardon for it and hence now accordingly is uploaded.
