## REPORT

On 27<sup>th</sup> November 2021, the Department of Chemistry initiated a TED-TALK to say no to plastic use. The Main objective of TED-TALK to make students aware of the bad effect of Plastics on Human beings, Animals and on entire environment.

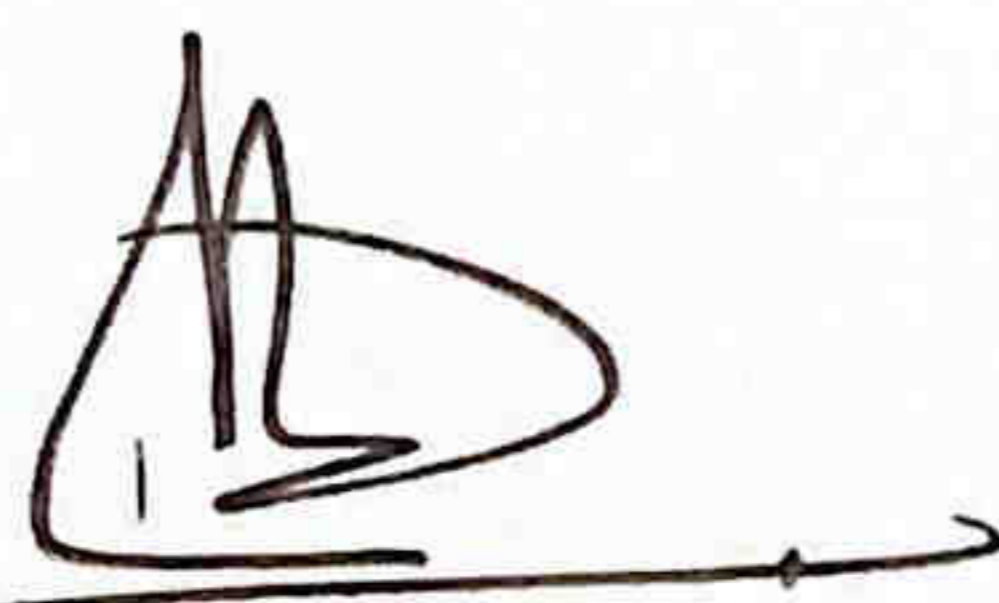

Plastic is man-made substance. Unlike natural substances, it is difficult to dispose the plastic as it is non-biodegradable. It is a waste that remains on earth for thousands of years and causes land, water and air pollution.

A total of 184 students along with faculty of chemistry were attended the TED-TALK. The Slogan "IDEAS worth Spreading" -at the end of the TED-TALK all have taken oath as no to Plastic in day today life to reduce the Plastic pollution.
