## Report on Ted-Talk

### “Why You Should Love Statistics”

The department has organized Ted-Talk on the topic “Why You Should Love Statistics” by Alan Smith on 19<sup>th</sup> August 2021 for the students.

This talk has organized for BSc II, IV & VI Sem. Students. The students were benefited with this talk. Their response was very positive.

In this talk Think you're good at guessing stats? Guess again, whether we consider ourselves math people or not, our ability to understand and work with numbers is terribly limited, says data visualization expert Alan Smith.

In this delightful talk, Smith explores the mismatch between what we know and what we think we know.
