Lighting candles in memory of Martyrs

All P G departments (English, Physics, Computer Science and Chemistry) of our College observed the Martyrs Day on 31/1/2022. On this Day the Candles were lit by all the Faculty and Students in Seminar Hall No.1. The Martyrs who gave life for the Country were paid tribute on this Day.

The great warriors on the Borders were remembered and their valour, strength and their dedicated services to the Motherland were also told here which were amazing and vivacious. The recent breakdown of the pandemic COVID had some very appreciative service by many Front line Workers: Doctors, Nurses, Volunteers from various NGOs or self-acclaimed volunteers, all together worked surprisingly and gave their services to all sectors. Here, the martyrs were remembered for their precious services where they never thought about their life.

Few of the Faculty and Students presented their knowledge about Martyrs and the importance of the observation of this Day.
